Squishmallow Trade Dress:

The overall look, feel, image, and three-dimensional features of the Squishmallow-branded plush toys – and in particular but without limitation their shapes, colors, textures and graphics – which serve as a distinctive source identifier to the consuming public. Such trade dress features include but are not limited to (1) substantially egg/bell shaped plush toys depicting similarly shaped fanciful renditions of animals/characters; (2) simplified Asian style Kawaii faces with repeating and complementary rounded/oval shaped graphics depicting features on the characters themselves (such as eyes, snouts and bellies) and which conform to and support the overall egg/bell shape of the toys; (3) embroidered facial features, such as eyes, nostrils, and/or mouths; (4) distinctive contrasting and non-monochrome coloring; and (5) short-pile velvety velour-like textured exterior with a light and silky memory foam-like stuffing providing an extremely soft and squeezable marshmallow feel.

An example of the Squishmallow Trade Dress is shown below:
