**SECOND AMENDMENT TO
PATENT AND TRADEMARK SECURITY AGREEMENT**

THIS SECOND AMENDMENT TO PATENT AND TRADEMARK SECURITY AGREEMENT (this "Amendment"), dated as of September 9, 2020, by THERMA-STOR LLC, a Delaware limited liability company (the "Company"; and together any other Person that becomes a Grantor as provided herein, the "Grantors" and each, a "Grantor"), in favor of CIBC Bank USA, in its capacity as administrative agent for the benefit of the financial institutions (the "Lenders") that are parties to the Credit Agreement referenced below from time to time (in such capacity, the "Administrative Agent").

RECITALS

A. Grantor and Administrative Agent have entered into that certain Patent and Trademark Security Agreement dated as of May 3, 2018, as amended by that certain First Amendment to Patent and Trademark Security Agreement dated as of February 19, 2019 (as the same may from time to time be amended, modified, supplemented or restated, the "Patent and Trademark Security Agreement"), pursuant to which Grantor has granted Administrative Agent, for the benefit of the Lenders, a continuing security interest in and to all of the "Trademark Collateral" and "Patent Collateral", as defined in the Patent and Trademark Security Agreement

B. Grantor, certain affiliates of Grantor, the Lenders and the Administrative Agent are entering into that certain Amended and Restated Credit Agreement and that certain Amended and Restated Guaranty and Collateral Agreement as of the date hereof.

C. The Company has obtained additional ownership interests in certain Trademark Collateral and Patent Collateral and the parties wish to amend Schedule 1 to include such additional Trademark Collateral and Schedule 2 to include such additional Patent Collateral.

NOW, THEREFORE, the parties agree as follows:

1. Definitions. Capitalized terms used but not defined in this Amendment shall have the meanings given to them in the Patent and Trademark Security Agreement.

2. Schedule 1. Schedule 1 attached hereto amends and replaces that certain Schedule 1 which was attached to the Patent and Trademark Security Agreement.

3. Schedule 2. Schedule 2 attached hereto amends and replaces that certain Schedule 2 which was attached to the Patent and Trademark Security Agreement.

4. Amendments.

(a) Section 3 of the Patent and Trademark Security Agreement is hereby deleted in its entirety and restated to read as follows:

“(3) all products and proceeds of the foregoing, including, without limitation, any claim by such Grantor against third parties for past, present or future infringement of any trademark, including, without limitation, any trademark referred to in Schedule 1 annexed hereto, any trademark registration issued pursuant to a trademark application referred to in Schedule 1 and any trademark licensed under any trademark license listed on Schedule 1 annexed hereto (items 1 through 3 being herein collectively referred to as the “Trademark Collateral”);”

(b) Section 6 of the Patent and Trademark Security Agreement is hereby amended to add the following language to the end thereof:

“provided that in no event shall any security interest be granted with respect to any property expressly excluded from the definition of “Collateral” pursuant to the terms of the Guaranty and Collateral Agreement”

(c) The following provisions are hereby added to the end of the Patent and Trademark Security Agreement:

“This Agreement shall be a contract made under and governed by the internal laws of the State of Illinois applicable to contracts made and to be performed entirely within such state, without regard to conflict of laws principles.

This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts and each such counterpart shall be deemed to be an original, but all such counterparts shall together constitute but one and the same Agreement. Receipt of an executed signature page to this Agreement by facsimile or other electronic transmission shall constitute effective delivery thereof. Electronic records of executed Loan Documents maintained by the Lenders shall be deemed to be originals.”

5. Affirmation. Except the amendments to Schedule 1, Schedule 2 and those listed in Section 4 above, the Patent and Trademark Security Agreement and all covenants, terms, conditions, and agreements therein, shall remain in full force and effect, and are hereby ratified and confirmed in all respects by Grantor.

6. Counterparts. This Amendment may be executed in any number of counterparts and all of such counterparts taken together shall be deemed to constitute one and the same instrument. Receipt of an executed signature page to this Amendment by facsimile or other electronic transmission shall constitute effective delivery thereof.

7. Governing Law. This Amendment shall be a contract made under and governed by the internal laws of the State of Illinois applicable to contracts made and to be performed entirely within such state, without regard to conflict of laws principles.

[signature page follows]

The Grantor has caused this Second Amendment to Patent and Trademark Security Agreement to be duly executed by its duly authorized officer thereunto as of the date first set forth above.
