FIRST AMENDMENT TO TRADEMARK SECURITY AGREEMENT

This First Amendment to Trademark Security Agreement (this “**Amendment**”), effective as of July 5, 2020, by DENTAL ASSOCIATES FAMILY AND SPECIALTY CARE, LLC, a Delaware limited liability company (“**Grantor**”) in favor of FIFTH THIRD BANK, NATIONAL ASSOCIATION, a federally chartered institution, as successor in interest to MB Financial Bank, N.A. (“**Grantee**”):

W I T N E S S E T H

WHEREAS, Grantor and Grantee are parties to that certain Trademark Security Agreement dated as of July 2009 (as amended, modified, supplemented and/or restated from time to time, the “**Trademark Agreement**”; all capitalized terms used herein and not otherwise defined shall have the meaning given to them in the Trademark Agreement), whereby Grantor granted and reaffirmed its prior grant to Grantee of a continuing security interest in Grantor’s entire right, title and interest in the Trademark Collateral;

WHEREAS, concurrently herewith Grantor and Grantee are entering into that certain Sixth Amendment to the Second Amended and Restated Credit Agreement dated as of February 16, 2016 and in connection therewith have agreed to amend the Trademark Agreement to update Schedule 1 thereto;

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, Grantor and Grantee agree as follows:

1. Section 2 of the Trademark Agreement is hereby deleted and replaced with the following:

2. Grant and Reaffirmation of Grant of Security Interests. As security for the payment or performance, as the case may be, in full of the Obligations, the Grantor, pursuant to the Security Agreement, hereby grants to the Grantee, its successors and assigns, a security interest in, all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by the Grantor or in which the Grantor now has or at any time in the future may acquire any right, title or interest under the laws of the United States; (collectively, the “**Trademark Collateral**”):

(i) all trademarks, service marks, trade names, domain names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general indicators of like nature, now existing or hereafter adopted or acquired, and all registrations and applications therefore, together with the goodwill of the business symbolized thereby, as filed in the United States Patent and Trademark Office or any similar offices in any State of the United States, and all renewals thereof, including those listed on Schedule I (the “**Trademarks**”),

(ii) all goodwill of the business symbolized by the Trademarks

excluding, any intent-to-use application trademark application prior to the filing of a “Statement of Use” or “Amendment to Allege Use” with respect thereto, to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark application under applicable law, and

(iii) all products and proceeds of the forgoing, including, without limitation, any claim by Grantor against third parties for past, present or future (a) infringement or dilution of any Trademark, or (b) injury to the goodwill associated with any Trademark.

2. Schedule 1 to the Trademark Agreement is hereby deleted and replaced with Schedule I hereto.

3. Section 3 of the Trademark Agreement is hereby deleted and replaced with the following:

3. Purpose. This Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interests granted to the Grantee herein are granted in furtherance, and not in limitation of, the security interests granted to the Grantee pursuant to the Security Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of the Grantee with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

[Signatures on Following Page]
