NYLOFUME TRADEMARK ASSIGNMENT

This NYLOFUME TRADEMARK ASSIGNMENT (this "Assignment") is effective as of September 16, 2020 (the "Effective Date") by and among Dow AgroSciences LLC, a Delaware limited liability company with its principal place of business at 9330 Zionsville Road, Indianapolis, Indiana 46268, ("ASSIGNOR"), and Douglas Products and Packaging Company LLC, a Missouri Limited Liability Company with its principal place of business at 1550 East Old 210 Highway, Liberty, Missouri 64068 ("ASSIGNEE").

BACKGROUND

WHEREAS, ASSIGNOR previously sold its VIKANE brand sulfluryl fluoride gas fumigant business to ASSIGNEE, pursuant to which ASSIGNOR transferred certain VIKANE fumigant assets to ASSIGNEE. The trademark NYLOFUME had previously been used in conjunction with protective bags during the sulfluryl fluoride fumigation process. ASSIGNOR has now requested that the NYLOFUME US trademark be transferred so that it may be used with other assets previously purchased by ASSIGNEE. ASSIGNOR consents to such assignment without additional consideration.

TERMS

NOW THEREFORE, in consideration of the above premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and with the intent to be legally bound, the parties hereto hereby agree as follows:

Effective as of the Effective Date, ASSIGNOR hereby assigns, transfers and conveys all right, title and interest in and to United States trademark NYLOFUME registration number 1755266 (as listed in Schedule A), together with the goodwill of the business symbolized by the trademark ("TRADEMARK"), including all associated trademark rights and other indicia of origin, held by ASSIGNOR, all claims, demands and rights to recovery that ASSIGNOR has or may have for past and future infringements, dilution or other violations of such TRADEMARK, if any, and all rights to compromise, sue for, and collect on such claims, demands and rights to recovery.

ASSIGNOR makes no representations or warranties. Such transfer is made "as is" without any express or implied warranty of any type, with any existing faults, including but not limited to any existing impairments.

ASSIGNEE shall take any additional actions as may be necessary or to effect the assignment transactions at the United States Patent and Trademark Office. The responsibility to draft and file any additional needed documents shall be on the ASSIGNEE and the ASSIGNEE shall bear the cost of filing such assignments.

IN WITNESS THEREOF, the parties hereto have caused this Assignment to be executed as of this 16th day of September 2020 to be effective as of the Effective Date.
