## INTELLECTUAL PROPERTY ASSETS ASSIGNMENT

This Intellectual Property Assets Assignment (“**Assignment**”) is made as of August 19, 2020 (the “**Effective Date**”), by EcoGen, Inc., a Colorado corporation doing business as EcoGen Laboratories (“**Assignor**”) in favor of EcoGen Biosciences, LLC, a Delaware limited liability company (“**Assignee**”) pursuant to the terms of that certain Asset Purchase Agreement (the “**Asset Purchase Agreement**”) dated as of July 30, 2020, among Assignor, Assignee and Alexis Korybut, an individual (“**Korybut**”) and Joseph Nunez, an individual (“**Nunez**,” and together with Korybut, the “**Seller Principals**”), All capitalized terms used but not defined in this Assignment shall have the meanings set forth in that Asset Purchase Agreement.

**WHEREAS**, Assignor desires to transfer to Assignee, and Assignee desires to accept from Assignor, all Assignor’s right, title, and interest in the Intellectual Property Assets.

**NOW, THEREFORE**, in consideration of the mutual covenant and agreements hereafter set forth and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Assignment. Assignor hereby irrevocably conveys, assigns and transfers to Assignee, and Assignee hereby accepts, all of Assignor’s right, title and interest: in and to the Intellectual Property Assets, including without limitation the trademarks, domain names, and social media accounts set forth in Exhibit A, and any other intellectual property rights and any goodwill associated therewith; all income, royalties, damages, claims, and payments, now or hereafter due or payable with respect thereto; in and to all causes of action, either in law or in equity for past, present, or future infringement based on the Intellectual Property Assets; and in and to all rights corresponding to the foregoing throughout the world, in the United States and all foreign countries, together with any international agreements to which the United States adheres, and hereby authorizes and requests the Commissioner of Patents of the United States, Commissioner of Trademarks of the United States and any other official of any applicable governmental authority or internet domain name registrar, to issue any and all registrations from any and all applications for registration included in the Intellectual Property Assets to and in the name of Assignee. Assignee shall have the right to record this Agreement with all applicable governmental authorities and registrars so as to perfect its ownership of the Intellectual Property Assets.

2. Further Assurances. Assignor shall cooperate and provide, at Assignee’s cost, all reasonable assistance and execute any papers, if accurate, desired by Assignee, its successors, assigns and legal representatives, to preserve, acquire and/or perfect Assignee’s full protection and title in and to the Intellectual Property Assets. If Assignee is unable for any reason, after reasonable effort, to secure Assignor’s signature on any document needed in connection with the actions specified above, Assignor hereby irrevocably designates and appoints Assignee and its duly authorized officers and agents as its agent and attorney in fact, which appointment is coupled with an interest, to act for and in its behalf to execute, verify and file any such documents and to do all other lawfully permitted acts to further the purposes of this paragraph with the same legal force and effect as if executed by Assignor.

3. Successors and Assigns; Governing Law. This Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns, and shall be governed by the laws of the United States and the State of Delaware (without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction)).

[The remainder of this page has been intentionally left blank.]

IN WITNESS WHEREOF, this Assignment has been executed as of the Effective Date.

**Assignor:**

EcoGen, Inc.,
