INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT (this “**Agreement**”), dated as of September 25, 2020, is made by each entity listed as Grantor on the signature pages hereto (each a “**Grantor**”), collectively, the “**Grantors**”), in favor of Wilmington Trust, National Association, in its capacity as Notes Collateral Agent for the Secured Parties under the Security Agreement referred to below (in such capacity, the “**Notes Collateral Agent**”).

WHEREAS, pursuant to that certain Pledge and Security Agreement of even date herewith (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”, capitalized terms used herein and not otherwise defined herein have the meanings specified in the Security Agreement), among the Grantors, the Notes Collateral Agent and certain other parties thereto, in order to secure payments of the Obligations (as defined in the Indenture), each Grantor has assigned, pledged and granted to the Notes Collateral Agent a continuing security interest in and to all of its Trademarks and Trademark applications, including, without limitation, the Trademarks and Trademark applications listed on Schedule I hereto, in each case solely, to the extent the same constitute Collateral (the “**Intellectual Property**”). Until the Termination Date (as defined in the Indenture), the Notes Collateral Agent shall retain its security interest in the Intellectual Property granted herein and in the Security Agreement and any lien granted on any property granted hereunder shall automatically be released in accordance with Section 7.12 of the Security Agreement.

NOW, THEREFORE, for the consideration set forth herein and in the Security Agreement, the parties hereto hereby agree that:

1. **Security Interest.** The Grantors, as collateral security for the full, prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Obligations, hereby grants the Notes Collateral Agent a lien on and security interest in, all of its right, title and interest in, to and under the Intellectual Property.
2. **Excluded Assets.** FOR THE AVOIDANCE OF DOUBT, notwithstanding any other provision of this Agreement, the Grantors do not grant any lien on or security interest in any of the Excluded Assets (as defined in the Indenture).
3. **Grants; Rights and Remedies.** This Agreement has been entered into in conjunction with the provisions of the Security Agreement. Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Notes Collateral Agent with respect to the Intellectual Property are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. The terms of this Agreement are supplemental to and not in replacement of the terms of the Security Agreement, and the rights and remedies of the Notes Collateral Agent with respect to the security interests granted herein are without prejudice to, but in addition to, those set forth in the Security Agreement. In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern. Nothing herein shall be construed as limiting any rights granted to or otherwise in favor of the Notes Collateral Agent (or its predecessors-in-interest) with respect to any of the Intellectual Property under or in connection with any other security agreement with respect to the Intellectual Property recorded with the United States Patent and Trademark Office. The Notes Collateral Agent shall be entitled to the same rights, protections, immunities and indemnities as set forth in the Security Agreement and Indenture (including, for the avoidance of doubt, those afforded to the Trustee),

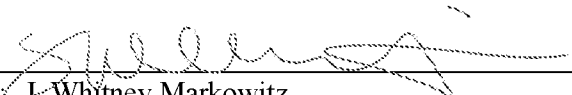

as if the provisions setting forth those rights, protections, immunities and indemnities are fully set forth herein.

4. **Miscellaneous.** This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York. Delivery of an executed counterpart of a signature page of this Agreement, by facsimile or by email as a “.pdf” or “.tif” attachment shall be effective as delivery of a manually executed counterpart of this Agreement. The words “executed,” “signed,” “signature,” “delivery,” and words of like import in or relating to this Agreement or any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act. “**Electronic Signature**” means an electronic symbol or process attached to a contract or other record and adopted by a Person with the intent to sign, authenticate or accept such contract or record.
