All references to "Secured Party" shall mean the Security Party, as Administration Agent for and on behalf of the lenders ("**Lenders**") from time to time party to the credit agreement entitled "Second Amended and Restated Credit Agreement" dated for reference September 30, 2020 entered into among, *inter alia*, GCRC Holdings Ltd., the Secured Party and the Lenders (as the said credit agreement may be amended, extended, renewed, replaced, restated and in effect from time to time the "**Credit Agreement**").

WHEREAS, subject to the terms and conditions of the Credit Agreement, the Debtor has executed and delivered to the Secured Party an intellectual property security agreement dated as of April 25, 2013 (the "**IP Security Agreement**").

WHEREAS, under the terms of the IP Security Agreement, the Debtor has granted to the Secured Party a security interest in certain intellectual property of the Debtor and has agreed as a condition thereof to execute this Recordable IP Security Agreement covering such intellectual property for recording with the Canadian Patent and Trademark Office, the U.S. Patent and Trademark Office and other Governmental Bodies or Offices where the Debtor has registered the intellectual property.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Debtor agrees as follows:

SECTION 1. Grant of Security. The Debtor hereby grants to the Secured Party a security interest in and to all of the Debtor's right, title and interest in and to the following (the "**Collateral**"):

- (i) all Canadian and United States trademarks and service mark registrations, applications, and licenses set forth in **Exhibit A** hereto (but excluding any United States intent-to-use trademark application to the extent that, and solely during the period in which, the grant of a security interest therein impairs the validity or enforceability of such intent-to-use trademark applications under applicable federal law), (the "**Trademarks**");
- (ii) all Canadian, United States, international and foreign copyrights, whether registered or unregistered (the "**Copyrights**");
- (iii) any and all claims for damages for past, present and future infringement, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and
- (iv) any and all Proceeds and products of any of the foregoing.

SECTION 2. Security for Obligations. The pledge and assignment of, and the grant of a security interest in, the Collateral by the Debtor under this IP Security Agreement secures the payment of all Obligations (as defined in the IP Security Agreement) of the Debtor now or hereafter existing under or in respect of the Credit Facility Documents (as defined in the IP Security Agreement) whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, premiums, penalties, fees, indemnifications, contract causes of action, costs, expenses or otherwise.

SECTION 3. Recordation. The Debtor authorizes and requests that the Register of Copyrights, the Commissioner of Patents and Trademarks and any other applicable governmental office record this Recordable IP Security Agreement.

SECTION 4. Execution in Counterparts. This Recordable IP Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 5. Governing Law. This Recordable IP Security Agreement shall be governed by, and construed in accordance with, the laws of the Province of British Columbia.

IN WITNESS WHEREOF, the Debtor has caused this Intellectual Property Security Agreement to be duly executed and delivered as of the date first above written.
