**EXHIBIT 2**

**TRADEMARK ASSIGNMENT**

**THIS TRADEMARK ASSIGNMENT** ("Assignment") is made and entered into as of this 16<sup>th</sup> day of March, 2020 ("Effective Date"), by and between **HUSQVARNA CONSTRUCTION PRODUCTS NORTH AMERICA, INC.**, a Delaware corporation (the "Assignor"), and **HUSQVARNA AB (publ)**, a Swedish limited liability company ("Assignee").

**WHEREAS**, Assignor wishes to assign to Assignee, and Assignee wishes to acquire from Assignor, all trademarks, trademark registrations and applications to register trademarks set forth on Schedule A attached hereto, in each case, together with the goodwill of the business associated therewith (collectively, the "Marks");

**NOW, THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby sell, assign, transfer and set over to Assignee, its entire right, title and interest in and to the Marks, for the United States and for all other countries, including, without limitation, any registrations and applications therefor, any renewals and extensions of the registrations, and all other corresponding rights that are or may be secured under the laws of the United States or any other country or under international conventions and treaties, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all income, royalties or payments due or payable as of the Effective Date or thereafter, all causes of action (either in law or in equity) relating thereto, and the right to sue, counterclaim, and recover damages for past, present or future infringement, dilution or other unauthorized use of the Marks.

Assignor hereby requests the Commissioner for Trademarks, and the corresponding entities or agencies in any applicable foreign countries, to record Assignee as the assignee and owner of the Marks.

This Assignment and any dispute arising out of or relating to or in connection with this Assignment shall be governed by, and construed in accordance with, the laws of the State of North Carolina, regardless of the laws that might otherwise govern under applicable principles of conflicts of laws thereof.

This Assignment may be executed in one or more counterparts, and by each of the parties in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same original instrument. Delivery of an executed counterpart of a signature page to this Assignment by electronic means (including portable document format) shall be as effective as delivery of a manually executed counterpart of this Assignment.
