TRADEMARK SECURITY AGREEMENT

This **TRADEMARK SECURITY AGREEMENT** (including all annexes, exhibits and schedules hereto, as the same may be amended, restated, amended and restated, modified and/or supplemented from time to time, this "Trademark Security Agreement") dated as of September 18, 2020, is made by Nortap Ticketleap Inc., a Delaware corporation ("Grantor") in favor of Vector Patron Holdings LP, a Delaware limited partnership (together with its successors and permitted assigns, the "Investor").

**WITNESSETH:**

**WHEREAS**, pursuant to the certain Note Purchase Agreement, dated as of September 18, 2020 (as the same may be amended, restated, amended and restated, modified, and/or supplemented from time to time, the "NPA"), by and among Nortap Technology Inc., a Delaware corporation (the "Company"), and the parties identified as "Investors" on the signature pages thereto, the Investors (as defined in the NPA) party thereto have severally agreed to provide certain financial accommodations to the Company upon the terms and subject to the conditions set forth therein;

**WHEREAS**, Grantor has agreed to enter into that certain Guaranty and Security Agreement, dated as of September 18, 2020 (the "Guaranty and Security Agreement"), in favor of the Investor, to secure the Secured Obligations; and

**WHEREAS**, Grantor is a party to the Guaranty and Security Agreement pursuant to which the Grantor is required to execute and deliver this Trademark Security Agreement.

**NOW, THEREFORE**, in consideration of the premises and to induce the Investor to enter into the NPA and to induce the Investor to provide the financial accommodations to the Company thereunder, Grantor hereby agrees with the Investor as follows:

1. **Defined Terms.** Capitalized terms used herein without definition are used as defined in the Guaranty and Security Agreement.

2. **Grant of Security Interest in Trademark Collateral.** Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations, hereby mortgages, pledges and hypothecates to the Investor, and grants to the Investor a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral (the "Trademark Collateral");

(a) all of its Trademarks and Trademark Licenses, including, without limitation, those referred to on Schedule I hereto (but excluding any intent-to-use trademark application prior to the filing of a "Statement of Use" or "Amendment to Allege Use" with the United States Patent and Trademark Office with respect thereto, to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark application under applicable federal law);

(b) all renewals and extensions of the foregoing and all rights to obtain the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

(d) all income, royalties, proceeds and liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

3. Guaranty and Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Investor pursuant to the Guaranty and Security Agreement and each Grantor hereby acknowledges and agrees that the rights and remedies of the Investor with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guaranty and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Guaranty and Security Agreement, the provisions of the Guaranty and Security Agreement shall control.

4. Grantor Remains Liable. Each Grantor hereby agrees that, anything herein to the contrary notwithstanding, such Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with their Trademark Collateral subject to a security interest hereunder.

5. Counterparts. This Trademark Security Agreement may be executed in one or more counterparts, each of which will be deemed an original, but all of which together will constitute one and the same agreement. Facsimile copies and other electronic copies (e.g. DocuSign, “pdf” or “tif”) of signed signature pages will be deemed binding originals.

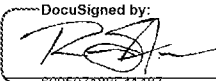

6. Governing Law. This Trademark Security Agreement and all actions arising out of or in connection with this Trademark Security Agreement shall be governed by and construed in accordance with the laws of the State of New York, without regard to the conflicts of law provisions of the State of New York or of any other state.

[SIGNATURE PAGES FOLLOW]

IN WITNESS WHEREOF, the undersigned Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

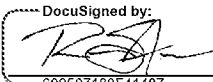

Very truly yours,

**NORTAP TICKETLEAP INC.,**  
as Grantor

By:   
Name: Robert Amen  
Title: President

ACCEPTED AND AGREED  
as of the date first above written:
