BETWEEN:

- (1) **WHATMAN INTERNATIONAL LIMITED**, a private company incorporated and registered in England and Wales with company number 00106789 whose registered office is at Whatman House St Leonards Road, Allington, Maidstone, Kent, United Kingdom, ME16 0LS (the “Assignor”); and
- (2) **GLOBAL LIFE SCIENCES SOLUTIONS OPERATIONS UK LTD**, a private company incorporated and registered in England and Wales with company number 12063780 whose registered office is at 19 Jessops Riverside, 800 Brightside Lane, Sheffield, United Kingdom, S9 2RX (the “Assignee”),
(each, a “Party” and collectively, the “Parties”).

Further to the Main Agreement (defined below) the Assignor has agreed to assign to the Assignee, all the Assigned Rights.

IT IS AGREED:

1. INTERPRETATION AND DEFINITIONS

1.1 Definitions:

Assigned Rights: means all Trademarks, patents and patent applications, short particulars of which are set out in Schedules 1 and 2 respectively; which, for the avoidance of doubt, in respect of the patents and patent applications, includes: any granted patents, any patent rights and the right to claim or apply for the same, including but not limited to any applications claiming priority to the listed applications; any such rights granted upon any reissue, re-examination, division, extension, provisional, continuation, or continuation-in-part applications and any foreign counterparts of any of the aforementioned patents, patent applications and/or patent rights.

Main Agreement: means a Business Transfer Agreement of even date between (amongst others) the Assignor and the Assignee.

Trademarks: means trademarks, service marks, trade names, service names, domain name registrations, trade dress, logos and other identifiers of same as set out in Schedule 2, including all goodwill associated therewith, and all common law rights, and registrations and applications for registration thereof; all rights to claim priority in relation to the same; and all rights therein provided by international treaties or conventions, and all reissues, extensions and renewals of any of the foregoing.

- 1.2 The Schedules form part of this agreement and shall have effect as if set out in full in the body of this agreement. Any reference to this agreement includes the Schedules.

2. ASSIGNMENT

Pursuant to and for the consideration set out in the Main Agreement (receipt of which the Assignor expressly acknowledges), the Assignor hereby assigns to the Assignee all its right, title and interest in and to the Assigned Rights, including any and all rights to (A) collect royalties, income and proceeds in connection therewith, (B) sue for past, present and future infringement, misappropriation, dilution or violation thereof or other conflict therewith, and (C) to recover damages or lost profits in connection therewith.

3. GENERAL

- 3.1 **Governing law and jurisdiction** - This agreement (and any dispute or claim relating to it or its subject matter (including non-contractual claims)) is governed by and is to be construed in accordance with English law. The parties irrevocably agree that the courts of England and Wales shall have exclusive jurisdiction to settle any claim, dispute or issue (including non-contractual claims) which may arise out of or in connection with this agreement.

- 3.2 **Counterparts** - This agreement may be executed in any number of counterparts, each of which when executed and delivered shall constitute an original of this agreement, but all the counterparts shall together constitute the same agreement.
- 3.3 **Variation** - No variation of this agreement shall be effective unless it is in writing and signed by the parties (or their authorised representatives).

IN WITNESS WHEREOF this document has been executed as a deed and is delivered and takes effect on the date stated at the beginning of it.
