INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT is entered into as of August 30, 2018 by and between PACIFIC WESTERN BANK ("**Bank**") and CATALANT TECHNOLOGIES, INC. ("**Grantor**").

RECITALS

A. Bank proposes to enter into a Third Amendment to Loan and Security Agreement (the "**Amendment**") with Grantor as of the date hereof with respect to the Loan and Security Agreement, dated as of March 28, 2016 (as amended, restated, supplemented or otherwise modified from time to time, the "**Loan Agreement**"; capitalized terms used herein are used as defined in the Loan Agreement).

B. Bank is willing to enter into the Amendment, but only upon the condition, among others, that Grantor shall grant to Bank a security interest in certain Copyrights, Trademarks and Patents to secure the Obligations.

NOW, THEREFORE, Grantor agrees as follows:

AGREEMENT

To secure its obligations under the Loan Agreement and under any other agreement now existing or hereafter arising between Bank and Grantor, Grantor grants and pledges to Bank a security interest in all of Grantor's right, title and interest in, to and under (i) the Copyrights, Trademarks and Patents (but excluding intent-to-use trademark applications to the extent a grant therein would invalidate those applications), including the Copyrights, Patents and Trademarks listed on Exhibits A, B and C hereto), and (ii) all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all re-issues, divisions continuations, renewals, extensions and continuations-in-part thereof.

This security interest is granted in conjunction with the security interest granted to Bank pursuant to the Loan Agreement, as amended by the Amendment. The rights and remedies of Bank with respect to the security interest granted hereby are in addition to those set forth in the Loan Agreement and the other Loan Documents, and those which are now or hereafter available to Bank as a matter of law or equity. Each right, power and remedy of Bank provided for herein or in the Loan Agreement or any of the Loan Documents, or now or hereafter existing at law or in equity shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein and the exercise by Bank of any one or more of the rights, powers or remedies provided for in this Intellectual Property Security Agreement, the Loan Agreement or any of the other Loan Documents, or now or hereafter existing at law or in equity, shall not preclude the simultaneous or later exercise by any person, including Bank, of any or all other rights, powers or remedies. Notwithstanding the foregoing, in the event of any conflict between this Intellectual Property Security Agreement and the Loan Agreement, the Loan Agreement shall control.

Grantor represents and warrants that Exhibits A, B, and C attached hereto set forth any and all Patents, Copyrights and Trademarks in connection to which Grantor has registered or filed an application with either the United States Patent and Trademark Office or the United States Copyright Office, as applicable, as of the date hereof.

IN WITNESS WHEREOF, the parties have caused this Intellectual Property Security Agreement to be duly executed by its officer thereunto duly authorized as of the first date written above.

Address of Grantor:
~~125 Western Avenue~~
~~Boston, MA 02134~~
