TRADEMARK ASSIGNMENT

This Trademark Assignment Agreement (the "Agreement") is between **CPI CARD GROUP INC.** ("Assignor"), a **DELAWARE** corporation having a business address of **10026 W. SAN JUAN WAY, LITTLETON, CO 80127**, and **CPI CG INC.** ("Assignee"), a **DELAWARE** corporation having a business address of **10026 W. SAN JUAN WAY, LITTLETON, CO 80127**, effective October 2, 2020 ("Effective Date").

WHEREAS, Assignor is the owner of certain trademarks used by Assignor in the conduct of its business, including the trademark applications and registrations identified in Schedule A, and all common law rights associated with such trademarks (collectively, hereinafter, "the Marks").

WHEREAS, Assignor wants to assign, and Assignee wants to receive, all of Assignor's right, title and interest in and to the Marks, together with all goodwill of the business symbolized by or associated with the Marks and all claims arising out of or relating to the use or ownership of the Marks.

WHEREAS, Assignor is making this assignment as an additional capital contribution to Assignee without the issuance of new stock certificates and on arm's-length or more favorable terms to Assignee, and Assignor has determined that this assignment will not have any material adverse effect and is desirable in the conduct of Assignor's business.

NOW, THEREFORE, the parties agree as follows:

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby irrevocably assigns to Assignee, its successors, legal representatives, and assigns, all of Assignor's right, title and interest in and to the Marks as they exist anywhere in the world and as may be created or acquired at any date in the future, along with all goodwill of the business symbolized by or associated with the Marks, and with all claims arising out of or relating to the use or ownership of the Marks. This assignment includes without limitation all applications and registrations for the Marks, all priority rights or claims based on international conventions, all rights to proceeds of the Marks, including income, royalties, damages, profits, and payments now or hereafter payable, all rights of action of Assignor, and the right to take proceedings and to seek damages and all other available remedies, against third parties for past, present, or future infringement of the Marks.

Assignor shall execute and deliver any other documents and perform any other reasonable acts Assignee may request, that may be necessary and appropriate to effectuate the provisions of this agreement and establish Assignee's rights in the Marks.

At the request and expense of Assignee, Assignor shall provide all reasonable assistance which Assignee considers necessary in connection with bringing or defending any proceedings in relation to the Marks.
