INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT, dated as of October 7, 2020 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, this “**Intellectual Property Security Agreement**”), is made by each of the signatories hereto (each such signatories other than the Collateral Agent, a “**U.S. Grantor**” and, collectively, the “**U.S. Grantors**”) in favor of GLAS Trust Company LLC, as Collateral Agent (together with its successors in such capacity, the “**Collateral Agent**”) for the Secured Parties (as defined in the Credit Agreement referred to below).

WHEREAS, GNC Holdings, LLC, a Delaware limited liability company (the “**Company**”), has entered into that certain Second Lien Term Loan Credit Agreement, dated as of October 7, 2020 (as amended, restated, amended and restated, supplemented, replaced or otherwise modified from time to time, the “**Credit Agreement**”), with the banks and other financial institutions and entities from time to time party thereto as lenders (the “**Lenders**”), GLAS Trust Company LLC, as Agent (together with its successors in such capacity) and the Collateral Agent and the other parties thereto.

WHEREAS, it is a condition precedent to the obligation of the Lenders to make their respective extensions of credit to the Company under the Credit Agreement that the U.S. Grantors shall have executed and delivered that certain Second Lien Guarantee and Collateral Agreement, dated as of October 7, 2020, in favor of the Collateral Agent (as amended, restated, amended and restated, supplemented, replaced or otherwise modified from time to time, the “**Second Lien Guarantee and Collateral Agreement**”). Capitalized terms used and not defined herein have the meanings given such terms (including by reference) in the Second Lien Guarantee and Collateral Agreement.

WHEREAS, under the terms of the Second Lien Guarantee and Collateral Agreement, each U.S. Grantor has granted to the Collateral Agent, for the ratable benefit (without regard to control of remedies or application of payments) of the Secured Parties, a security interest in all of such U.S. Grantor’s right, title, and interest in and to certain Collateral, including, without limitation, certain of its Intellectual Property and have agreed as a condition thereof to execute this Intellectual Property Security Agreement with respect to certain of its Intellectual Property in order to record the security interests granted therein with the United States Patent and Trademark Office or the United States Copyright Office (or any successor office or other applicable United States Governmental Authorities).

NOW, THEREFORE, in consideration of the above premises, each U.S. Grantor hereby agrees with the Collateral Agent, for the ratable benefit (without regard to control of remedies or application of payments) of the Secured Parties, as follows:

SECTION 1. *Grant of Security.* Each U.S. Grantor hereby grants, pledges and assigns to the Collateral Agent, for the ratable benefit (without regard to control of remedies or application of payments) of the Secured Parties, a security interest in all of such U.S. Grantor’s right, title and interest in and to the following (the “**Intellectual Property Collateral**”), as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Secured Obligations:

(a) (i) all United States, state and foreign trademarks, service marks, trade names, corporate names, company names, business names, trade dress, trade styles, logos, or other indicia of origin or source identification, Internet domain names, trademark and service mark registrations, and applications for trademark or service mark registrations and any renewals thereof, including, without limitation, each registration and application identified in Schedule 1, and (ii) the goodwill of the business connected with the use of, and symbolized by, each of the above (collectively, the “**Trademarks**”);

(b) (i) all United States and foreign patents, patent applications and patentable inventions, including, without limitation, each issued patent and patent application identified in Schedule 2, and all certificates of invention or similar property rights (ii) all inventions and improvements described and claimed therein, and (iii) all reissues, divisions, reexaminations, continuations, continuations-in-part, substitutes, renewals, and extensions thereof, all improvements thereon (collectively, the “**Patents**”);

(c) (i) all United States and foreign copyrights, whether or not the underlying works of authorship have been published, including but not limited to copyrights in software and databases, all Mask Works (as defined in 17 U.S.C. 901 of the U.S. Copyright Act), all right, title and interest to make and exploit all derivative works based on or adopted from works covered by such copyrights, and all copyright registrations, copyright applications, mask works registrations and mask works applications, and any renewals or extensions thereof, including, without limitation, each registration and application identified in Schedule 3, and (ii) the rights to copy, perform and distribute any of the foregoing (“**Copyrights**”);

(d) (i) all Copyright Licenses pursuant to which such U.S. Grantor has been granted exclusive rights in any U.S. or foreign registered Copyrights, including, without limitation, any of the foregoing identified in Schedule 3; and

(e) (i) the right to sue or otherwise recover for any and all past, present and future Infringements of any of the Collateral described (a) through (d) above, and (ii) all income, royalties, damages and other payments now and hereafter due and/or payable with respect to any of the Collateral described in (a) though (d) above.

SECTION 2. *Excluded Asset.* Notwithstanding anything to the contrary in this Intellectual Property Security Agreement, the Intellectual Property Collateral does not and shall not include any Excluded Assets.

SECTION 3. *Recordation.* Each U.S. Grantor authorizes and requests that the Register of Copyrights, the Commissioner for Patents, the Commissioner for Trademarks and any other applicable United States government officer record this Intellectual Property Security Agreement.

SECTION 4. *Execution in Counterparts.* This Intellectual Property Security Agreement may be executed in any number of counterparts (including by telecopy or other electronic transmission), each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 5. *GOVERNING LAW.* THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

SECTION 6. *Conflict Provision.* This Intellectual Property Security Agreement has been entered into in conjunction with the provisions of the Second Lien Guarantee and Collateral Agreement and the Credit Agreement. The rights and remedies of each party hereto with respect to the security interest granted herein are without prejudice to, and are in addition to those set forth in the Second Lien Guarantee and Collateral Agreement and the Credit Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Intellectual Property Security Agreement are in conflict with the Second Lien Guarantee and Collateral Agreement or the Credit Agreement, the provisions of the Second Lien Guarantee and Collateral Agreement or the Credit Agreement, as applicable, shall govern.

[signature pages follow]

IN WITNESS WHEREOF, each of the undersigned has caused this Intellectual Property Security Agreement to be duly executed and delivered as of the date first above written.
