TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of October 20, 2020, is executed by the undersigned ("Grantor") for the benefit of Monroe Capital Management Advisors, LLC, a Delaware limited liability company, as administrative agent for the Lenders (the "Administrative Agent"), in connection with a Guaranty and Collateral Agreement dated as of October 20, 2020, among Grantors party thereto and Administrative Agent (as amended, restated, supplemented or otherwise modified from time to time, the "Guaranty and Collateral Agreement"). Capitalized terms not otherwise defined in this Agreement are being used in this Agreement as defined in the Guaranty and Collateral Agreement.

Pursuant to the Guaranty and Collateral Agreement, Grantor has granted to Administrative Agent, for itself and the ratable benefit of the Secured Parties, a security interest in substantially all of its assets, including all of its right, title, and interest in, to, and under all now owned and hereafter acquired trademarks, trademark applications, trademark licenses, and all products and proceeds thereof, as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Secured Obligations. Pursuant to the Guaranty and Collateral Agreement, Grantor is required to execute and deliver to Administrative Agent, for itself and the ratable benefit of the Secured Parties, this Agreement.

In consideration of the mutual agreements set forth herein and in the Credit Agreement and the Guaranty and Collateral Agreement, Grantor does hereby grant to Administrative Agent, for itself and the ratable benefit of the Secured Parties, a continuing security interest in all of Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired:

- (1) each Trademark and Trademark application included within the Collateral (as that term is defined in the Guaranty and Collateral Agreement), including, without limitation, each Trademark and Trademark application referred to in Schedule 1, together with any renewals or divisionals thereof and all goodwill associated therewith (though, in each of the foregoing, excluding any "intent to use" Trademark application for which a statement of use has not been filed and accepted with the United States Patent and Trademark Office) (collectively, the "Trademark Collateral").

This security interest is granted in conjunction with and subject to the security interests granted to Administrative Agent pursuant to the Guaranty and Collateral Agreement, including any limitations set forth therein and in the Credit Agreement. The parties hereto hereby acknowledge and affirm that the rights and remedies of Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Credit Agreement and in the Guaranty and Collateral Agreement, the terms and provisions of each of which are incorporated by reference herein as if fully set forth herein.

As used in this Agreement, the capitalized term "Trademarks" is as defined in Guaranty and Collateral Agreement. That definition, in relevant part, *mutatis mutandis*, is provided below for convenience only and do not affect the construction of this Agreement, the Credit Agreement, or the Guaranty and Collateral Agreement:

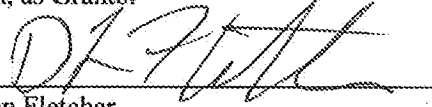

"Trademarks" means all trademarks, protectable trade names, service marks, logos, designs and other protectable source or business identifiers, and all goodwill associated therewith, now existing or hereafter adopted or acquired, all registrations thereof, rights to obtain renewals thereof, and all applications in connection therewith (other than any "intent-to-use" applications), whether in the United States Patent and

Trademark Office or in any similar office or agency of the United States, any State thereof or any other country or any political subdivision thereof, or otherwise, and all common-law rights related thereto.
