TRADEMARK SECURITY AGREEMENT  
(TRADEMARKS, TRADEMARK REGISTRATIONS,  
TRADEMARK APPLICATIONS AND TRADEMARK LICENSES)

Dated as of September 25, 2020

WHEREAS, Mr. Mango LLC and Skybound, LLC (the “Borrowers”) and the guarantors referred to in the Credit Agreement (as hereinafter defined) (the “Guarantors”; and together with the Borrowers, collectively, the “Grantors”, and individually, each a “Grantor”) now own or hold and may hereafter adopt, acquire or hold Trademarks (as defined in the Credit Agreement defined below) including, without limitation, the Trademarks listed on Schedule A annexed hereto, as such Schedule may be amended from time to time by the addition of Trademarks subsequently registered or otherwise adopted or acquired by any Grantor;

WHEREAS, pursuant to that certain Credit, Security, Guaranty and Pledge Agreement dated as of September 25, 2020 (as the same may be amended, supplemented or otherwise modified, renewed, restated or replaced from time to time, the “Credit Agreement”; capitalized terms used herein and not otherwise defined shall have the meanings ascribed to such terms in the Credit Agreement) among the Borrowers, as borrowers, the Guarantors and East West Bank (the “Lender”), the Lender has agreed to make Loans to the Borrowers;

WHEREAS, pursuant to the terms of the Credit Agreement, each Grantor has granted to the Lender a security interest in and to all personal property of such Grantor including, without limitation, all right, title and interest of such Grantor in, to and under all of such Grantor’s Trademarks and Trademark Licenses (as defined below), including, without limitation, those Trademark Licenses listed on Schedule B hereto, whether now owned, currently existing or hereafter arising, adopted or acquired and whether or not in possession of any Grantor, together with the goodwill of the business connected with, and symbolized by, the Trademarks and all products and proceeds thereof and all income therefrom, including, without limitation, any and all causes of action which exist now or may exist in the future by reason of infringement or dilution thereof or injury to the associated goodwill, to secure the payment and performance of the Obligations (in the case of the Borrowers) or its obligations under and in connection with its guaranty of the Obligations (in the case of each Guarantor); and

WHEREAS, the Lender and each Grantor by this instrument seek to confirm and make a record of the grant of a security interest in the Trademarks and the goodwill associated therewith.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, each Grantor does hereby grant to the Lender, as security for the Obligations (in the case of the Borrowers) or its obligations under and in connection with its guaranty of the Obligations (in the case of each Guarantor), a continuing security interest in and to all of such Grantor’s right, title and interest in, to and under the following (all of the following items (a) through (e) or types of property being collectively referred to herein as the “Trademark Collateral”), whether now owned, currently existing or hereafter arising, adopted or acquired and whether or not in possession of any Grantor:

(a) each Trademark and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark referred to in Schedule A annexed hereto;

(b) each agreement, whether written or oral, now or hereafter in effect, providing for the grant by or to any Grantor of any right to use any Trademark referenced in clause (a) above (each, a “Trademark License”), including, without limitation, each Trademark License referred to in Schedule B annexed hereto;

(c) all right to trademark and all rights to renew or extend any Trademarks referenced in clause (a) above;

(d) subject to the terms of the Credit Agreement, all right (but not obligation) to sue in the name of any Grantor or in the name of the Lender for past, present and future infringements of any Trademark; and

(e) all products and proceeds of, and income, royalties, damages, payments, accounts and accounts receivable at any time due and/or payable or asserted under or with respect to, any of the foregoing, including, without limitation, all rights to sue or recover at law or in equity for any past, present or future infringement, dilution, misappropriation, violation, misuse, breach, default or other impairment of any Trademark or any Trademark License referenced in clause (a) or clause (b) above, or for injury to goodwill associated with any Trademark referenced in clause (a) above.

Each Grantor agrees that, if any Person shall do or perform any act which the Lender believes constitutes an infringement of any Trademark, or violates or infringes any right therein of any Grantor, the Lender, or if any Person shall do or perform any act which the Lender reasonably believes constitutes an unauthorized or unlawful use thereof, then and in any such event, upon thirty (30) days’ prior written notice to the Grantors (or if an Event of Default is at the time continuing, then without notice), the Lender may and shall have the right to take such steps and institute such suits or proceedings as the Lender may deem advisable or necessary to prevent such act or conduct and to secure damages and other relief by reason thereof, and to generally take such steps as may be advisable or necessary or proper for the full protection of the rights of the parties. The Lender may take such steps or institute such suits or proceedings in its own name or in the name of any Grantor or in the names of the parties jointly. The Lender hereby agrees to give the Grantors notice of any steps taken, or any suits or proceedings instituted, by the Lender pursuant to this paragraph and each Grantor agrees to assist the Lender with any steps taken, or any suits or proceedings instituted by the Lender pursuant to this paragraph at the Grantors’ sole expense.

This security interest is granted in conjunction with the security interests granted to the Lender pursuant to the Credit Agreement. Each Grantor and the Lender hereby further acknowledges and affirms that the rights and remedies of the Lender with respect to the security interest made and granted hereby are more fully set forth in the Credit Agreement, and are subject to the limitations set forth in the Credit Agreement (including, without limitation, the provisions

related to the exercise of remedies by the Lender), the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

This Trademark Security Agreement is made for collateral purposes only. At such time as the Commitment under the Credit Agreement has terminated and all Obligations have been indefeasibly paid in full and performed, the Lender shall execute and deliver to the Grantors, at the Grantors' request and sole expense, without representation, warranty or recourse, all releases and reassignments, termination statements and other instruments as may be necessary or advisable to terminate the security interest of the Lender in the Trademark Collateral, subject to any disposition thereof which may have been made by the Lender pursuant to the terms hereof or of the Credit Agreement.

So long as no Event of Default shall have occurred and be continuing, and subject to the various provisions of the Credit Agreement and the other Fundamental Documents, a Grantor may use its Trademark Collateral in any lawful manner except as otherwise provided in the Credit Agreement or the other Fundamental Documents.

**THIS TRADEMARK SECURITY AGREEMENT SHALL IN ALL RESPECTS BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK AND THE APPLICABLE FEDERAL LAWS OF THE UNITED STATES OF AMERICA, WITHOUT REGARD TO ANY CONFLICT OF LAWS PRINCIPLES THAT WOULD RESULT IN THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.**

This Trademark Security Agreement, and any modifications or amendments hereto may be executed in any number of counterparts, each of which when so executed and delivered shall constitute an original for all purposes, but all such counterparts taken together shall constitute but one and the same instrument. Delivery of an executed counterpart of a signature page of this Trademark Security Agreement by facsimile or transmitted electronically in a Tagged Image Format File ("TIFF"), Portable Document Format ("PDF") or other electronic format sent by electronic mail shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement. This Trademark Security Agreement shall become effective when it shall have been executed by each party hereto. Any party delivering an executed counterpart of this Trademark Security Agreement by facsimile or by email shall also deliver a manually executed counterpart of this Trademark Security Agreement, but failure to do so shall not affect the validity, enforceability or binding effect of this Trademark Security Agreement, and the parties hereby waive any right they may have to object to said treatment.

All notices and other communications provided under this Trademark Security Agreement shall be delivered in such form, manner and address as provided in Section 12.1 of the Credit Agreement.

Any provision of this Trademark Security Agreement which is invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without invalidating the remaining provisions hereof, and

any such invalidity, illegality or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

No amendment, modification, rescission, waiver or release of any provision of this Trademark Security Agreement, and no consent to any departure therefrom shall in any event be effective unless signed by the Lender (whose signature shall be delivered only in accordance with the applicable provisions of the Credit Agreement) and the Grantors. Any waiver or consent shall be effective only in the specific instance and for the specific purpose for which it is given.

This Trademark Security Agreement shall bind and inure to the benefit of the parties hereto and their successors and permitted assigns (as determined pursuant to the Credit Agreement), but neither this Trademark Security Agreement nor any of the rights or interests hereunder shall be assigned by any Grantor (including its successors and permitted assigns) without the prior written consent of the Lender, and any attempted assignment without such consent shall be null and void.

If any conflict or inconsistency exists between this Trademark Security Agreement and the Credit Agreement, the Credit Agreement shall govern.
