TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this “Trademark Security Agreement”) is made this 1st day of October, 2020, by and among the Grantors listed on the signature pages hereof (collectively, jointly and severally, “Grantors” and each individually “Grantor”), and **Deerfield Private Design Fund IV, L.P.**, a Delaware limited partnership, in its capacity as agent for each member of the Secured Parties (in such capacity, together with its successors and assigns in such capacity, “Agent”).

W I T N E S S E T H:

WHEREAS, pursuant to that certain Term Loan and Security Agreement dated as of October 1, 2020 (as amended, restated, supplemented, or otherwise modified from time to time, the “Credit Agreement”) by and among **ENDOLOGIX LLC**, a Delaware limited liability company (“Endologix”), each of its direct and indirect Subsidiaries set forth on the signature pages thereto and any additional borrower that may thereafter be added to the Credit Agreement (individually as a “Borrower”, and collectively with any entities that become party thereto as Borrower and each of their successors and permitted assigns, the “Borrowers”), the lenders party thereto as “Lenders” (such Lenders, together with their respective successors and assigns in such capacity, each, individually, a “Lender” and, collectively, the “Lenders”), and Agent, the Secured Parties have agreed to make certain financial accommodations available to the Borrowers from time to time pursuant to the terms and conditions thereof; and

WHEREAS, pursuant to the Credit Agreement, Grantors are required to execute and deliver to Agent, for the benefit of the Secured Parties, this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. DEFINED TERMS. All initially capitalized terms used but not otherwise defined herein have the meanings given to them in the Credit Agreement, and this Trademark Security Agreement shall be subject to the rules of construction set forth in Section 1.3 of the Credit Agreement, which rules of construction are incorporated herein by this reference, *mutatis mutandis*.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Each Grantor hereby unconditionally grants, assigns, and pledges to Agent, for the benefit of the Secured Parties, to secure the Liabilities, a continuing security interest (referred to in this Trademark Security Agreement as the “Security Interest”) in all of such Grantor’s right, title and interest in and to the following, whether now owned or hereafter acquired or arising (collectively, the “Trademark Collateral”):

(a) all of its Trademarks and Trademark Intellectual Property Licenses to which it is a party including those referred to on Schedule I;

(b) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark Intellectual Property License; and

(c) all products and proceeds (as that term is defined in the Code) of the foregoing, including any claim by such Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark or any Trademarks exclusively licensed under any Intellectual Property License, including right to receive any damages, (ii) injury to the goodwill associated with any Trademark, or (iii) right to receive license fees, royalties, and other compensation under any Trademark Intellectual Property License.

3. SECURITY FOR SECURED OBLIGATIONS. This Trademark Security Agreement and the Security Interest created hereby secures the payment and performance of the Liabilities, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Secured Obligations and would be owed by Grantors, or any of them, to Agent, the Secured Parties, whether or not they are unenforceable or not allowable due to the existence of an insolvency proceeding involving any Grantor.

4. PROTECTION OF TRADEMARK SECURITY INTEREST BY GRANTORS. Each Grantor shall, at its sole cost, reasonable expense and risk, in connection with the operation of its business, comply with the requirements set forth in Section 7.4 of the Credit Agreement in respect of the Trademark Collateral.

5. REPRESENTATIONS AND WARRANTIES. Each Grantor represents and warrants that:

(a) Schedule I hereto is a true, correct and complete list of all Trademarks and Trademark Intellectual Property Licenses in which each Grantor purports to have an ownership or license interest.

(b) Such Grantor has the legal right and authority to enter into this Trademark Security Agreement and perform its terms.

(c) If such Grantor amends its name, such Grantor shall provide copies of such amendment documentation to Agent and shall, if necessary, re-register such Grantor's Trademarks and Trademark Intellectual Property Licenses with the appropriate Governmental Authority and shall execute and deliver such agreements or documentation as Agent shall reasonably request in writing to maintain a perfected first priority security interest in the Trademark Collateral subject to Permitted Liens.

6. SECURITY AGREEMENT. The Security Interest in the Collateral granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interests granted to Agent, for the benefit of the Secured Parties, pursuant to the Credit Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the Security Interest in the Trademark Collateral made and granted hereby are more fully set forth in the Credit Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any inconsistency between this Trademark Security Agreement and the Credit Agreement, the Credit Agreement shall control.

7. AUTHORIZATION TO SUPPLEMENT. If any Grantor shall obtain rights to any new trademarks, the provisions of this Trademark Security Agreement shall automatically apply

thereto. Each Grantor shall notify Agent of applications filed for the registration of any Trademarks with the United States Trademark Office in accordance with Section 4.7 of the Credit Agreement. Without limiting Grantors' obligations under this Section, Grantors hereby authorize Agent unilaterally to modify this Trademark Security Agreement by amending Schedule I to include any such new trademark rights of each Grantor. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.

8. NO VIOLATION OF FINANCING AGREEMENTS. The representations, warranties or covenants contained herein are supplemental to those representations, warranties and covenants contained in the other Financing Agreements, and shall not be deemed to modify any such representation, warranty or covenant contained in any other Financing Agreement.

9. GRANTOR'S RIGHTS TO ENFORCE TRADEMARKS. Prior to Agent's giving of notice to Grantor following the occurrence and during the continuance of an Event of Default, such Grantor shall have the exclusive right to sue for past, present and future infringement of the Trademark Collateral, including the right to seek injunctions and/or money damages, in an effort by such Grantor to protect the Trademark Collateral against encroachment by third parties, provided, however, that:

(a) Any money damages awarded or received by such Grantor on account of such suit (or the threat of such suit) shall constitute Trademark Collateral.

(b) Any damages recovered in any action pursuant to this Section, net of costs and attorneys' fees reasonably incurred, shall be applied in accordance with the Credit Agreement.

(c) Following the occurrence and during the continuance of any Event of Default, Agent, by notice to any Grantor may terminate or limit such Grantor's rights under this Section 9.

10. RIGHTS UPON DEFAULT. Upon the occurrence and during the continuance of any Event of Default, Agent may exercise all rights and remedies as provided for in the Credit Agreement.

11. NO LIMITATION; Financing Agreements. This Trademark Security Agreement has been executed and delivered by each Grantor for the purpose of recording the security interest granted to Agent with respect to the Trademark Collateral with the United States Trademark Office. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to Agent, for the benefit of the Secured Parties, under the Credit Agreement and the other Financing Agreements. The other Financing Agreements (and all rights and remedies of Grantor, Agent, and Lenders thereunder) shall remain in full force and effect in accordance with their terms.

12. TERMINATION; RELEASE OF TRADEMARK COLLATERAL. This Trademark Security Agreement and all obligations of each Grantor and Agent hereunder shall terminate on the date upon which the Liabilities have been paid in full. Upon termination of this Trademark Security Agreement, Agent shall, at the reasonable expense of the Grantor, take such

actions required by the Credit Agreement or as otherwise reasonably requested by Grantor to release its security interest in the Trademark Collateral.

13. BINDING EFFECT; BENEFITS. This Trademark Security Agreement shall be binding upon each Grantor and its successors and assigns, and shall inure to the benefit of Agent, Lenders and their respective successors and assigns.

14. COUNTERPARTS. This Trademark Security Agreement is a Financing Agreement. This Trademark Security Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Trademark Security Agreement. Delivery of an executed counterpart of this Trademark Security Agreement by telefacsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Trademark Security Agreement. Any party delivering an executed counterpart of this Trademark Security Agreement by telefacsimile or other electronic method of transmission also shall deliver an original executed counterpart of this Trademark Security Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Trademark Security Agreement.

15. CHOICE OF LAW AND VENUE, JURY TRIAL WAIVER, AND JUDICIAL REFERENCE PROVISION. THIS TRADEMARK SECURITY AGREEMENT SHALL BE SUBJECT TO THE PROVISIONS REGARDING CHOICE OF LAW AND VENUE, JURY TRIAL WAIVER, AND JUDICIAL REFERENCE SET FORTH IN SECTIONS 9.6, 9.7 AND 9.8 OF THE CREDIT AGREEMENT, AND SUCH PROVISIONS ARE INCORPORATED HEREIN BY THIS REFERENCE, *MUTATIS MUTANDIS*.
