TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement"), dated as of October 23, 2020, is made by each of the signatories hereto indicated as a "Grantor" (collectively, the "Grantors" and each, a "Grantor") and Morgan Stanley Senior Funding, Inc., in its capacity as administrative agent (the "Administrative Agent") for the Secured Parties under and as defined in the Credit Agreement referred to below.

WITNESSETH:

WHEREAS, pursuant to the Credit Agreement, dated as of October 23, 2020 (as the same may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among Datto, Inc., a Delaware corporation (the "Borrower"), Merritt Holdco, Inc., a Delaware corporation, the other loan parties from time to time party thereto, the lenders from time to time party thereto ("Lenders"), the issuing banks from time to time party thereto and the Administrative Agent, Lenders agreed to make extensions of credit to the Borrower upon the terms and subject to the conditions set forth therein; and

WHEREAS, in order to induce the Lenders to enter into the Credit Agreement and to extend credit to the Borrower, each Grantor entered into the Security Agreement of even date herewith in favor of the Administrative Agent (the "Security Agreement") pursuant to which such Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Administrative Agent to enter into the Credit Agreement, each Grantor hereby agrees with the Administrative Agent as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Security Agreement.

Section 2. Grant of Security Interest in Trademark Collateral. Each Grantor hereby pledges and grants to the Administrative Agent, on behalf of and for the benefit of the Secured Parties, a security interest in all of its right, title and interest in, to and under the following Collateral of such Grantor (collectively, the "Trademark Collateral"):

- a. all trademarks (including service marks), trade names, trade dress and trade styles and the registrations and applications for registration thereof and the goodwill of the business symbolized by the foregoing, including, without limitation, those referred to on Schedule 1 hereto ("Trademarks"), provided that no security interest shall be granted in any intent-to-use Trademark application unless and until acceptable evidence of use of the Trademark has been filed with the United States Patent and Trademark Office pursuant to Section 1(c) or Section 1(d) of the Lanham Act (15 U.S.C. 1051, et seq.);
- b. all renewals of the foregoing;
- c. all income, royalties, damages and proceeds now or hereafter due or payable with respect to any of the foregoing, including damages, claims and payments for past and future infringements thereof;

d. all rights to sue for past, present and future infringements of the foregoing, including the right to settle suits involving claims and demands for royalties owing; and

e. all rights corresponding to any of the foregoing throughout the world.

Section 3. Security Agreement. The security interest granted in connection with this Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent pursuant to the Security Agreement and each Grantor hereby acknowledges and agrees that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Section 4. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart. Delivery of an executed counterpart of a signature page of this Trademark Security Agreement by fax or electronic mail transmission shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement.

Section 5. Governing Law. This Trademark Security Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

[SIGNATURE PAGES FOLLOW]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
