2. Assignment

2.1 In consideration of payment by the Assignee to the Assignor of the sum of £1, receipt and sufficiency of which are expressly acknowledged, the Assignor hereby assigns to the Assignee, with full title guarantee, all rights, title and interest in and to the Assigned IPR, absolutely.

- (b) promptly do all other acts required to effect the foregoing transfer as soon as is reasonably practical and keep the Assignee informed of the progress of the transfer.

3.2 On execution of this agreement the Assignor will provide to the Assignee the passwords to the Social Media Accounts operated under the handles listed in the schedule.

4.1 The Assignor agrees to execute, sign and do all such further instruments, applications, documents, acts and things and give any further assistance (all at the reasonable expense of the Assignee, save to the extent that the request results from any failure by the Assignor to transfer the Assigned IPR in accordance with clause 2 or a breach of any warranty or obligation in the Sale Agreement or this agreement) as the Assignee may at any time reasonably request, properly to secure the vesting in the Assignee absolutely of the full right, title and interest in and to the Assigned IPR.

4.2 The Assignor hereby irrevocably appoints the Assignee and its successors in title and each of them to be its attorney to execute or sign any documents and do any other acts, matters and things which the Assignee may consider necessary or desirable for the purpose of carrying out or in any way giving effect to this clause 4 and the Assignor hereby ratifies whatever the Assignor shall lawfully do in pursuance of this clause 4.

5.2 As between the Assignor and the Assignee, nothing in this agreement shall limit, vary or derogate from the terms of the Sale Agreement.

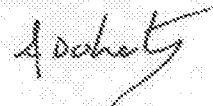

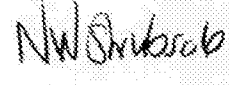

- 5.3 Unless the right of enforcement is expressly granted, it is not intended that any provision of this agreement shall be enforceable by virtue of the Contracts (Rights of Third Parties) Act 1999 by any person who is not a party to this agreement.
- 5.4 This agreement and the Sale Agreement constitute the entire understanding between the parties relating to the subject-matter of this agreement and, save where expressly referred to, shall supersede all prior representations, writings, negotiations or understandings between the parties in relation to the Assigned IPR, except in respect of any fraudulent misrepresentation made by either party.

- 5.6 The parties submit to the exclusive jurisdiction of England and Wales in relation to any dispute concerning this agreement, but the Assignee is also entitled to apply to any court worldwide for injunctive and other remedies in order to protect or enforce its Intellectual Property Rights.
- 5.7 This agreement may be executed in any number of counterparts, each of which, when executed and delivered, is an original, but all the counterparts taken together shall constitute one document. This agreement shall not take effect until it has been executed by both parties.
