**AMENDED AND RESTATED INTELLECTUAL PROPERTY SECURITY  
AGREEMENT**

**THIS AMENDED AND RESTATED INTELLECTUAL PROPERTY SECURITY AGREEMENT** (as may be amended, restated, supplement or modified from time to time, this “**IP Security Agreement**”) is entered into as of June 13, 2018, by and between **MAIKAI CAPITAL LLC** (“**Lender**”) and **TARGET DATA, INC.**, a Delaware corporation (“**Grantor**”).

**RECITALS**

**A.** Grantor and Lender (as successor by assignment to Pacific Western Bank, a California state chartered bank, as successor by merger to Square 1 Bank) entered into that certain Loan and Security Agreement, dated as of January 6, 2014 (as amended, restated, modified or supplemented prior to the date hereof, the “**Existing Loan Agreement**”), pursuant to which the Lender provided loans and extensions of credit to the Borrower.

**B.** In order to induce the Lender to enter into and extend credit to the Borrower under the Existing Loan Agreement, the Borrower entered into that certain Intellectual Property Security Agreement dated as of January 6, 2014 with the Lender (as successor by assignment to Pacific Western Bank, a California state chartered bank, as successor by merger to Square 1 Bank) (as amended, restated, supplemented or modified prior to the date hereof, the “**Existing IP Security Agreement**”).

**C.** The Borrower and the Lender are entering into an Amended and Restated Loan and Security Agreement dated as of the date hereof (as it may be amended, restated, supplemented or modified from time to time, the “**Loan Agreement**”; capitalized terms used herein are used as defined in the Loan Agreement). Grantor is entering into this IP Security Agreement, which amends and restates the Existing IP Security Agreement, in order to induce the Lender to enter into the Loan Agreement and to secure the Obligations.

**D.** Pursuant to the terms of the Loan Agreement, Grantor has granted to Lender a security interest in all of Grantor’s right, title and interest, whether presently existing or hereafter acquired, in, to and under all of the Collateral.

**NOW, THEREFORE**, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, as collateral security for the prompt and complete payment when due of its obligations under the Loan Agreement and all other agreements now existing or hereafter arising between Grantor and Lender, Grantor hereby represents, warrants, covenants and agrees as follows:

**AGREEMENT**

To secure its obligations under the Loan Agreement and under any other agreement now existing or hereafter arising between Lender and Grantor, Grantor grants and pledges to Lender a security interest in all of Grantor’s right, title and interest in, to and under its Intellectual Property (including without limitation those Copyrights, Patents and Trademarks listed on

Exhibits A, B and C hereto), and including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all re-issues, divisions continuations, renewals, extensions and continuations-in-part thereof (collectively, “**Intellectual Property Collateral**”).

This security interest is granted in conjunction with the security interest granted to Lender under the Loan Agreement. The rights and remedies of Lender with respect to the security interest granted hereby are in addition to those set forth in the Loan Agreement and the other Loan Documents, and those which are now or hereafter available to Lender as a matter of law or equity. Each right, power and remedy of Lender provided for herein or in the Loan Agreement or any of the Loan Documents, or now or hereafter existing at law or in equity shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein and the exercise by Lender of any one or more of the rights, powers or remedies provided for in this IP Security Agreement, the Loan Agreement or any of the other Loan Documents, or now or hereafter existing at law or in equity, shall not preclude the simultaneous or later exercise by any person, including Lender, of any or all other rights, powers or remedies.

Grantor represents and warrants that Exhibits A, B, and C attached hereto set forth any and all intellectual property rights in connection to which Grantor has registered or filed an application with either the United States Patent and Trademark Office or the United States Copyright Office, as applicable.

This IP Security Agreement amends, restates and supersedes the Existing IP Security Agreement in its entirety; *provided*, however, that (a) the execution and delivery of this IP Security Agreement shall not effect a novation of the Existing IP Security Agreement but shall be, to the fullest extent applicable, a modification, renewal, confirmation and extension of such Existing IP Security Agreement, and (b) all Liens created and granted by the Existing IP Security Agreement on the collateral described therein (the “Original Collateral”) shall continue to exist, remain valid and subsisting, shall not be impaired or released hereby, shall remain in full force and effect and are hereby ratified, affirmed, extended and conveyed as continuing security for the Obligations. Each Grantor hereby acknowledges and confirms the continuing existence and effectiveness of such Liens and security interests in the Original Collateral granted under the Existing IP Security Agreement, and further agrees that the execution and delivery of this IP Security Agreement and the other Loan Documents shall not in any way release, diminish, impair, reduce or otherwise affect such Liens in the Original Collateral granted under the Existing IP Security Agreement.

**SIGNATURE PAGE FOLLOWS**

IN WITNESS WHEREOF, the parties have caused this Amended and Restated Intellectual Property Security Agreement to be duly executed by its officers thereunto duly authorized as of the first date written above.
