SECOND SUPPLEMENTAL TRADEMARK SECURITY AGREEMENT, dated as of October 28, 2020 among INGEVITY SOUTH CAROLINA, LLC (the "Grantor") and JPMORGAN CHASE BANK, N.A., as Administrative Agent (the "Administrative Agent").

Reference is made to the Guarantee and Collateral Agreement dated as of May 9, 2016 (as amended, supplemented or otherwise modified from time to time, the "Security Agreement"), among Ingevity Corporation (the "U.S. Borrower"), the Subsidiary Parties party thereto and the Administrative Agent and that certain Trademark Security Agreement, dated as of May 9, 2016 (as amended, supplemented or otherwise modified from time to time, the "Trademark Security Agreement"), among the Grantor, the U.S. Borrower, Ingevity South Carolina, LLC, Invia Pavement Technologies, LLC and the Administrative Agent. The Lenders and the Issuing Banks have agreed to extend credit to the Borrowers subject to the terms and conditions set forth in the Credit Agreement dated as of March 7, 2016 (as amended, supplemented or otherwise modified from time to time (the "Credit Agreement")). The Grantor, as an Affiliate of the U.S. Borrower, will derive substantial benefits from the extension of credit to the Borrowers pursuant to the Credit Agreement and is willing to execute and deliver this Agreement. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Each capitalized term used but not defined herein shall have the meaning assigned thereto in the Security Agreement. The rules of construction specified in Section 1.01(b) of the Security Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. The parties acknowledge that, as security for the payment or performance, as the case may be, in full of the Obligations, the Grantor, pursuant to the Security Agreement and the Trademark Security Agreement, granted to the Administrative Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in, all of such Grantor's right, title and interest in, to and under the following assets (collectively, the "Trademark Collateral"):

- (a) all United States registrations and applications listed on Schedule I (the "Trademarks");
- (b) all goodwill associated with or symbolized by the Trademarks; and
- (c) all other assets, rights and interests that uniquely reflect or embody the Trademarks; provided that any Trademark application filed in the United States Patent and Trademark Office on the basis of any Grantor's "intent-to-use" such Trademark, will not be deemed to be Trademark Collateral unless and until acceptable evidence of use of the Trademark has been filed with and accepted by the United States Patent and Trademark Office pursuant to Section 1(c) or Section 1(d) of the Lanham Act (15 U.S.C. §§ 1051, et seq.), if, to the extent, and for so long as, granting a security interest or other lien in such Trademark application prior to such filing could reasonably be expected to adversely affect the enforceability or validity of such Trademark application.

SECTION 3. Security Agreement. The security interests referred to herein were granted in connection with, and not in limitation of, the security interests granted to the Administrative Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 4. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging shall be effective as delivery of a manually executed counterpart of this Agreement. The words "execution", "execute", "signed", "signature", and words of like import in or related to any document to be signed in connection with this Agreement shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect,

validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.
