## TRADEMARKS AND GOODWILL ASSIGNMENT AGREEMENT

This Trademarks and Goodwill Assignment Agreement (“**Assignment**”) is effective as of October 22, 2020 (the “**Effective Date**”) from Craig S. Gaul, an individual having a residence of Wernersville, Pennsylvania (“**Assignor**”), to Quadex, LLC, a Delaware limited liability company (“**Assignee**”). The Assignor and the Assignee are sometimes referred to collectively herein as the “**Parties**” and individually as a “**Party**.”

### RECITALS

**WHEREAS**, Assignor and Assignee are parties to a certain Asset Purchase Agreement of even date herewith (the “**Agreement**”), under which Assignor is required to assign all of the Assignor’s Trademarks (as defined therein), and all accessions, additions, replacements, and substitutions thereto, including all tradenames, Trademarks, service marks (whether registered, applied for, or used under common law), including the Goodwill, and all rights and proceeds associated therewith, all as more fully described in Exhibit “A” hereto (the “**Trademarks**”); and

**WHEREAS**, the Assignor is the sole and rightful owner of the Trademarks; and

**WHEREAS**, the Assignee desires to purchase or acquire the Assignor’s right, title, and interest in and to the Trademarks; and

**WHEREAS**, the Parties hereto wish to enter into this Assignment for the purpose of causing the transfer of ownership and assignment of the Trademarks from the Assignor to the Assignee.

### AGREEMENT

**NOW, THEREFORE**, in consideration of the premises and the mutual agreements and covenants hereinafter set forth and other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the Parties, intending to be legally bound, hereby agree as follows:

Section 1 Assignment and Sale. Effective as of the Effective Date, the Assignor does hereby sell, assign, transfer and set over to Assignee all of its right, title, and interest in and to the Trademarks in the United States and all jurisdictions outside the United States including, without limitation, the ongoing and existing portion of the Assignor’s business associated with the Trademarks, together with the goodwill of the business connected with and symbolized by the Trademarks (including, without limitation, the right to sue and recover for any past or continuing infringements or contract breaches related to the Trademarks, the right to renew any registrations included in the Trademarks, the right to apply for Trademarks registrations within or outside the United States based in whole or in part upon the Trademarks, and any priority right that may arise from the Trademarks), the same to be held and enjoyed by Assignee as fully and entirely as said interest could have been held and enjoyed by Assignor had this sale, assignment, transfer and conveyance not been made.

The Assignor authorizes the United States Patent and Trademarks Office, the Delaware Secretary of State, and any other applicable jurisdictions outside the United States to record the transfer of the registration set forth in Exhibit A to Assignee as recipient of Assignors entire right, title and interest therein.

Assignor further agrees to upon the request of Assignee: (a) cooperate with Assignee in the protection of the Trademarks rights and prosecution and protection of foreign counterparts; (b) execute, verify, acknowledge and deliver all such further papers, including registration applications and instruments of transfer; and (c) perform such other acts as Assignee lawfully may request to obtain or maintain the Trademarks and any and all applications and registrations for the Trademarks.

Section 2 Further Assurances. Subject to the terms and conditions of the Agreement, each of the Parties will use their best efforts to take, or cause to be taken, all actions, and to do, or cause to be done, all things necessary to consummate and make effective the transfer of the Trademarks hereunder, including without limitation the filing of assignments with the United Stated Patent and Trademarks Office and other applicable federal or state governmental agencies, including but not limited to the Delaware Secretary of State, or the taking of other actions necessary or advisable, to transfer all registered Trademarks to Assignee's name, including without limitation those set forth in any exhibit or schedule hereto, and to provide whatever information or documentation is requested by Assignee with respect to the Trademarks. From time to time after the date hereof, Assignor will execute and deliver such instruments and documents to Assignee as Assignee may reasonably request in order to more effectively vest in Assignee good title to the Trademarks.

Section 3 Governing Law. This Assignment shall be governed by and construed and enforced in accordance with the laws of the State of Delaware without regard to its principles of conflicts of laws.

Section 4 Counterparts. This Assignment may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Facsimile or electronic signatures on this Assignment shall be as effective as original signatures on this Assignment.

Section 5 Amendments. This Assignment may not be amended without the express written consent of both Parties.

IN WITNESS WHEREOF, the Parties have caused this Trademarks and Goodwill Assignment to be executed and delivered and to be effective as of the Effective Date.
