TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of October 30, 2020, is made by RCG Acquisition Illinois, LLC, a Texas limited liability company ("Grantor"), in favor of Antares Capital LP, as administrative agent (in such capacity, together with its successors and permitted assigns, the "Administrative Agent") for the Lenders (as defined in the Credit Agreement referred to below) and the other Secured Parties.

WITNESSETH:

WHEREAS, pursuant to the Credit Agreement, dated as of October 30, 2020 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), by and among RCG ACQUISITION, LLC, a Delaware limited liability company, RIMKUS CONSULTING GROUP, INC., a Texas corporation ("Rimkus" together with each Person who executes a Joinder Agreement and becomes party to the Credit Agreement as a "Borrower", each, a "Borrower" and individually and collectively, jointly and severally, the "Borrowers"), the other Loan Parties from time to time party thereto, the Lenders from time to time party thereto and the Administrative Agent, the Secured Parties have severally agreed to make extensions of credit to the Borrowers upon the terms and subject to the conditions set forth therein;

WHEREAS, Grantor has agreed, pursuant to a Security Agreement dated as of October 30, 2020 in favor of the Administrative Agent (and as the same may be amended, restated, supplemented and/or otherwise modified from time to time, the "Security Agreement") to pledge and grant to the Administrative Agent for the benefit of the Secured Parties a continuing security interest in all of Grantor's Intellectual Property, including, without limitation, the Trademark Collateral (as defined below), and the Security Agreement requires that Grantor execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Lenders and the Administrative Agent to enter into the Credit Agreement and to induce the Lenders to make their respective extensions of credit to the Borrowers thereunder, each Grantor hereby agrees with the Administrative Agent as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Credit Agreement or Security Agreement, as applicable.

Section 2. Grant of Security Interest in Trademark Collateral. Each Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations of such Grantor, hereby mortgages, pledges and hypothecates to the Administrative Agent for the benefit of the Secured Parties, and grants to the Administrative Agent for the benefit of the Secured Parties a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral (to the extent constituting Collateral) of such Grantor (the "Trademark Collateral"):

- hereto;
- (a) all of its Trademarks, including, without limitation, those referred to on Schedule 1
 - (b) all renewals and extensions of the foregoing;
 - (c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and
 - (d) all income, royalties, proceeds and liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at

law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

Section 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent pursuant to the Security Agreement and each Grantor hereby acknowledges and agrees that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Section 4. Grantor Remains Liable. Each Grantor hereby agrees that, anything herein to the contrary notwithstanding, such Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with their Trademarks subject to a security interest hereunder.

Section 5. Authorization to Supplement. If Grantor shall obtain rights to any new Trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. Grantor shall give prompt notice in writing to the Administrative Agent with respect to any such new Trademarks or renewal or extension of any Trademark registration. Without limiting Grantor's obligations under this Section, Grantor hereby authorizes the Administrative Agent unilaterally to modify this Trademark Security Agreement by amending Schedule 1 to include any such new Trademarks of Grantor. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule 1 shall in any way affect, invalidate or detract from the Administrative Agent's continuing security interest in all Trademark Collateral, whether or not listed on Schedule 1.

Section 6. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart. Receipt by telecopy or electronic mail of any executed signature page to this Trademark Security Agreement shall constitute effective delivery of such signature page. This Trademark Security Agreement to the extent signed and delivered by means of a facsimile machine or Electronic Transmission shall be treated in all manner and respects and for all purposes as an original agreement or amendment and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. No party hereto shall raise the use of a facsimile machine or Electronic Transmission to deliver a signature or the fact that any signature or agreement or amendment was transmitted or communicated through the use of a facsimile machine or Electronic Transmission as a defense to the formation or enforceability of a contract and each such party forever waives any such defense.

Section 7. Governing Law. This Trademark Security Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

Section 8. Security Agreement Governs. The security interests granted to the Administrative Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Administrative Agent pursuant to the Security Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.
