TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT is entered into as of October 5, 2020, (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, this "Agreement"), by Synergy Healthcare Partners, LLC, a Delaware limited liability company ("Synergy") and EA Health, LLC, a California limited liability company ("EA Health"; and together with Synergy, collectively the "Grantors" and each individually a "Grantor"), in favor of Oxford Finance LLC, in its capacities as administrative agent and collateral agent for Lenders (as defined in the Credit Agreement referenced below) (together with its successors in such capacities, the "Agent").

Reference is made to that certain Credit, Guaranty and Security Agreement, dated as of October 5, 2020 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among the Grantors, the other Credit Parties (as defined herein) thereto and the Agent, pursuant to which the Grantors have granted a security interest to the Agent in the Trademark Collateral (as defined below) and are required to execute and deliver this Agreement. Consistent with the requirements set forth in the Credit Agreement, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings assigned to them (including by reference to other agreements) in the Credit Agreement.

SECTION 2. Grant of Security Interest. As security for the prompt and complete payment or performance, as the case may be, in full of the Obligations, each Grantor, pursuant to the Credit Agreement, hereby grants to the Agent, its successors and permitted assigns, on behalf of and for its benefit and for the ratable benefit of the Lenders, a security interest in all of its right, title and interest in and to all of the following Intellectual Property, whether now owned by or owing to or hereafter acquired by or arising in favor of such Grantor (collectively, the "Trademark Collateral"):

A. all Trademark registrations and pending applications for Trademark registration in the U.S. Patent and Trademark Office listed on Schedule I hereto, including all goodwill of the business connected with the use of and symbolized by any of the foregoing;

B. the right to sue or otherwise recover for past, present and future infringements, dilutions or other violations or impairments of any of the foregoing, including the right to settle suits involving claims and demands for royalties owing; and

C. all Proceeds of the foregoing, including all income, royalties, damages, claims and payments now or hereafter due and/or payable under any of the foregoing, including damages, claims or payments for past or future infringements, dilutions (with respect to Trademarks) or other violations or impairments of any of the foregoing.

Notwithstanding the foregoing, the term "Trademark Collateral" (and any component definition thereof) shall not include any Excluded Asset. Notwithstanding anything to the contrary contained herein, immediately upon the ineffectiveness, lapse or termination of any restriction or condition set forth in the definition of "Excluded Assets" in the Credit Agreement, the Trademark Collateral shall include, and the relevant Grantor shall be deemed to have automatically granted a security interest in, all relevant previously restricted or conditioned rights, interests or other assets, as the case may be, as if such restriction or condition had never been in effect.

SECTION 3. Credit Agreement. The security interests granted to the Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Agent pursuant to the Credit

Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Agent with respect to the Trademark Collateral are more fully set forth in the Credit Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Credit Agreement, the terms of the Credit Agreement shall govern.

SECTION 4. Governing Law. The validity, interpretation and enforcement of this Agreement shall be governed by the Laws of the State of New York, without regard to conflict of laws principles.

SECTION 5. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. This Agreement may be transmitted and/or signed by facsimile or other electronic transmission. The effectiveness of any such signature shall, subject to applicable Law, have the same force and effect as manually signed originals and shall be binding on the parties. Agent may also require that any such documents and signatures be confirmed by a manually signed original thereof; provided, however, that the failure to request or deliver the same shall not limit the effectiveness of any facsimile document or signature.
