PARTIAL RELEASE OF SECURITY INTEREST IN TRADEMARKS

THIS PARTIAL RELEASE OF SECURITY INTEREST IN TRADEMARKS (this “Release”), dated as of October 30, 2020, is made by BANK OF AMERICA, N.A., as administrative agent (“Agent”) for the Secured Parties in favor of ADVANCED DATA PROCESSING, INC., a Delaware corporation (the “Grantor”). Capitalized terms used but not defined herein have the respective meanings given to them, directly or by reference, in the IP Security Agreement (as defined below).

WHEREAS, the Grantor, together with the other grantors party thereto, entered into a Security Agreement, dated as of June 26, 2019 (as it may have been amended, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”), pursuant to which the Grantor and the other grantors party thereto executed and delivered that certain Intellectual Property Security Agreement dated as of June 26, 2019 in favor of the Agent (the “IP Security Agreement”), which was recorded with the United States Patent and Trademark Office on July 1, 2019 at Reel 6682 and Frame 0552;

WHEREAS, pursuant to the Security Agreement and the IP Security Agreement, the Grantor, together with the other grantors party thereto, granted to the Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in and continuing lien on (the “Security Interest”) the IP Collateral;

WHEREAS, the IP Collateral included all of the Grantor’s right, title or interest in or to the registered Trademarks and Trademarks for which applications were pending in the United States Patent and Trademark Office set forth in Schedule A hereto, together with all renewals thereof, and all income, royalties, proceeds and Liabilities at any time due or payable or asserted under or with respect to any of the foregoing or otherwise with respect to such Trademarks, including all rights to sue or recover at law or in equity for any past, present or future infringement, dilution, violation or other impairment thereof, and, in each case, all rights to obtain any other of the foregoing rights (but excluding any United States “intent-to-use” trademark application prior to the filing and acceptance of a “Statement of Use” or “Amendment to Allege Use” with respect thereto, to the extent, if any, that, and solely during the period, if any, in which, the grant, attachment or enforcement of a Security Interest thereunder would impair the validity or enforceability of such intent-to-use trademark application or any registration issuing therefrom under applicable federal law) (the “Released Trademark Collateral”).

WHEREAS, the Grantor has requested that the Agent terminate and release its Security Interest in, on and to the Released Trademark Collateral;

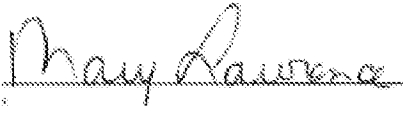

NOW, THEREFORE, in consideration of the foregoing, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Agent hereby terminates, cancels and releases the Security Interest in, on and to the Released Trademark Collateral, and hereby re-assigns to the Grantor any right, title or interest it may have in, to, or under the Released Trademark Collateral, in each case without recourse to the Agent and without representation or warranty of any kind. For the avoidance of doubt, except as expressly set forth above, nothing herein shall affect the Security Interest held by the Agent in any other lien or security interest granted by Grantor or any other grantors to the Agent.

The Grantor (and any successor to the Grantor, including any person or entity hereafter holding any right, title or interest in and to the Released Trademark Collateral) is hereby authorized to record this Release with the United States Patent and Trademark Office.

[Signature Page Follows]

IN WITNESS WHEREOF, the Agent has caused this Release to be duly executed as of the day and year first above written.

BANK OF AMERICA, N.A.
as Agent
