**SECURITY AGREEMENT / NOTICE OF SECURITY INTEREST  
(U.S. TRADEMARKS – BioChem Systems, Inc.)**

THIS SECURITY AGREEMENT/NOTICE OF SECURITY INTEREST (TRADEMARKS) (this "Agreement") entered into as of October 22, 2020, is made by BioChem Systems, Inc., a Kansas corporation (the "Grantor") in favor of BANCFIRST (the "Lender").

WHEREAS, Grantor has adopted, used and is using, and holds all right, title and interest in and to, the trademarks and service marks listed on the annexed Exhibit 1, which trademarks and service marks are registered or applied for in the United States Patent and Trademark Office, as more fully set forth on Exhibit 1 (the "Trademarks"); and

WHEREAS, pursuant to the First Amendment to Credit Agreement dated as of October 22, 2020 ("First Amendment") between and among Refined Technologies, Inc., a Delaware corporation, and certain affiliates, including Grantor, as borrowers (collectively, the "Borrowers"), and the Lender, the Lender has agreed to make an extension of credit to the Borrowers upon the terms and subject to the conditions set forth therein; and

WHEREAS, the Borrowers have entered into a certain Supplemental Security Agreement dated as of even date with the First Amendment (the "Security Agreement"), in favor of the Lender; and

WHEREAS, pursuant to the Security Agreement, Grantor has granted to the Lender a continuing security interest in all right, title and interest of Grantor in, to and under the Trademarks, together with, among other things, the goodwill of the business symbolized by the Trademarks and the applications and registrations thereof, and all proceeds thereof, including, without limitation, any and all causes of action which may exist by reason of infringement thereof and any and all damages arising from past, present and future violations thereof (the "Trademark Collateral"), to secure the payment, performance and observance of the Obligations (as described in the Security Agreement);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby grants to the Lender, a continuing security interest in the Trademark Collateral to secure the prompt payment, performance and observance of the Obligations.

Notwithstanding the foregoing, Trademark Collateral shall exclude any Trademark in which the grant or a pledge of a security interest in and to or a Lien (as defined in the Security Agreement) on such Trademark would result in the invalidity, unenforceability, abandonment, cancellation or voiding of the same.

In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

Grantor does hereby further acknowledge and affirm that the rights and remedies of the Lender with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein.

IN WITNESS WHEREOF, the undersigned has caused this Agreement to be duly executed by its officer thereunto duly authorized as of the day and year first above written.

BIOCHEM SYSTEMS, INC., a Kansas corporation

By *Cody Nath*  
Cody Nath, President

STATE OF TEXAS            )  
  ) ss.
