## TRADEMARK ASSIGNMENT

**WHEREAS**, American Chemical Society, a federally chartered corporation of the United States having offices at 1155 Sixteenth Street, NW Washington DC 20036 ("**Assignor**"), owns the entire right, title and interest in and to the following trademarks:

*CME for association services, namely, promoting business, economy, and technology in the fields of energy, materials and life science, with a particular emphasis on chemistry and sciences that involve chemistry; and business and professional networking, and U.S. Trademark Application Serial No. 88/670,943 therefor; and*

*CHEMICAL MARKETING & ECONOMICS GROUP for association services, namely, promoting business, economy, and technology in the fields of energy, materials and life science, with a particular emphasis on chemistry and sciences that involve chemistry; and business and professional networking, and U.S. Trademark Application Serial No. 88/670,942 therefor*

(hereinafter said trademarks and trademark applications are referred to collectively as the "**Trademarks**");

**WHEREAS**, Chemical Marketing & Economics, Inc., a Delaware non-stock corporation with offices at 3322 Highway 22 West, Suite 421, Branchburg, NJ 08876 ("**Assignee**"), is desirous of securing all of Assignor's right, title and interest in and to the Trademarks, and the goodwill of Assignor's business associated therewith; and

**WHEREAS**, this Trademark Assignment is being executed pursuant to a Separation and Settlement Agreement dated November 30, 2019, to which Assignor and Assignee are parties.

**NOW THEREFORE**, in consideration of the foregoing, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

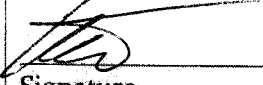

1. Assignor hereby assigns to Assignee the entire right, title and interest in and to the Trademarks, together with the goodwill of Assignor's business associated therewith, and the right to sue for, and recover for, any past and future infringements thereof, to be held and enjoyed by Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor had no assignment of said Trademarks been made.

2. Assignor shall, upon the request of Assignee, execute any further documents reasonably required by Assignee to secure and enforce the rights granted to Assignee under this Trademark Assignment.

3. Assignee may record this Trademark Assignment with the U.S. Patent and Trademarks Office. All costs associated with the any such recordations shall be borne by Assignee.

4. This Trademark Assignment may be executed in counterparts, each of which shall be deemed an original, and together shall constitute one and the same agreement and shall be effective as of the date of the last signature below (the "Effective Date"), it being understood that both parties need not sign the same counterpart. This Trademark Assignment may be executed by facsimile or electronically transmitted signatures and such signatures shall be deemed to bind each of the parties as if they were original signatures.

IN WITNESS WHEREOF, the parties have caused this Trademark Assignment to be executed by their duly authorized officers as of the Effective Date.
