## **PATENT AND TRADEMARK SECURITY AGREEMENT**

THIS PATENT AND TRADEMARK SECURITY AGREEMENT (this “Agreement”), dated as of November 13, 2020, by United CoolAir LLC, a Delaware limited liability company (the “Company”; and together with any other Person that becomes a Grantor as provided herein, the “Grantors” and each, a “Grantor”), in favor of CIBC Bank USA, in its capacity as administrative agent for the benefit of the financial institutions (the “Lenders”) that are parties to the Credit Agreement referenced below from time to time (in such capacity, the “Administrative Agent”).

### **RECITALS**

A. Pursuant to the Joinder (as defined below), each Grantor has become a party to an Amended and Restated Credit Agreement dated as of September 9, 2020 (as amended by that certain Joinder and First Amendment to Amended and Restated Credit Agreement dated as of the date hereof (the “Joinder”) and as further amended, restated, supplemented or otherwise modified from time to time, the “Credit Agreement”) with the Lenders and the Administrative Agent, pursuant to which such Lenders have agreed to make loans to, and issue or participate in letters of credit for the account of, Grantor.

B. Pursuant to the Joinder, each Grantor has become a party to an Amended and Restated Guaranty and Collateral Agreement dated as of September 9, 2020 (as amended, restated, supplemented or otherwise modified from time to time, the “Guaranty and Collateral Agreement”) with the Administrative Agent pursuant to which certain obligations owed to the Lenders are secured.

C. Pursuant to the Guaranty and Collateral Agreement, each Grantor is required to execute and deliver to the Administrative Agent, for the ratable benefit of the Lenders, this Agreement.

D. Pursuant to the terms of the Guaranty and Collateral Agreement, each Grantor has granted to the Administrative Agent, for the benefit of the Lenders, a security interest in substantially all the assets of such Grantor, including all right, title and interest of such Grantor in, to and under all now owned and hereafter acquired patents, patent applications, patent licenses, trademarks, trademark applications and trademark licenses, and all products and proceeds thereof, to secure the payment of all amounts owing by the Grantors under the Credit Agreement and the Guaranty and Collateral Agreement.

In consideration of the mutual agreements set forth herein and in the Credit Agreement, each Grantor does hereby grant to the Administrative Agent, for the benefit of the Lenders, a continuing security interest in all of such Grantor’s right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired:

- (1) each trademark and trademark application, including, without limitation, each trademark and trademark application referred to in Schedule 1 annexed hereto, together with any reissues, continuations or extensions thereof and all goodwill associated therewith;
- (2) each trademark license, including, without limitation, each trademark license listed on Schedule 1 annexed hereto, together with all goodwill associated therewith;

- (3) all products and proceeds of the foregoing, including, without limitation, any claim by such Grantor against third parties for past, present or future infringement of any trademark, including, without limitation, any trademark referred to in Schedule 1 annexed hereto, any trademark registration issued pursuant to a trademark application referred to in Schedule 1 and any trademark licensed under any trademark license listed on Schedule 1 annexed hereto (items 1 through 3 being herein collectively referred to as the “Trademark Collateral”);
- (4) each patent and patent application, including, without limitation, each patent and patent application referred to in Schedule 2 annexed hereto, together with any reissues, continuations or extensions thereof and all goodwill associated therewith;
- (5) each patent license, including, without limitation, each patent license listed on Schedule 2 annexed hereto, together with all goodwill associated therewith; and
- (6) all products and proceeds of the foregoing, including, without limitation, any claim by such Grantor against third parties for past, present or future infringement of any patent, including, without limitation, any patent referred to in Schedule 2 annexed hereto, any patent issued pursuant to a patent application referred to in Schedule 2 and any patent licensed under any patent license listed on Schedule 2 annexed hereto (items 4 through 6 being herein collectively referred to as the “Patent Collateral”) provided that in no event shall any security interest be granted with respect to any property expressly excluded from the definition of “Collateral” pursuant to the terms of the Guaranty and Collateral Agreement.

This security interest is granted in conjunction with the security interests granted to the Administrative Agent pursuant to the Guaranty and Collateral Agreement and subject to limitations set forth therein. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral and the Patent Collateral made and granted hereby are more fully set forth in the Credit Agreement and Guaranty and Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. Capitalized terms used but not defined herein have the respective meanings ascribed thereto in the Guaranty and Collateral Agreement.

This Agreement shall be a contract made under and governed by the internal laws of the State of Illinois applicable to contracts made and to be performed entirely within such state, without regard to conflict of laws principles.

This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts and each such counterpart shall be deemed to be an original, but all such counterparts shall together constitute but one and the same Agreement. Receipt of an executed signature page to this Agreement by facsimile or other electronic transmission shall constitute effective delivery thereof. Electronic records of executed Loan Documents maintained by the Lenders shall be deemed to be originals.
