Trademark Assignment Agreement

This Trademark Assignment Agreement (“Agreement”) is effective as of the 16 day of November, 2020 by and between The Linux Foundation, an Oregon non-profit corporation (“Assignee”), having a place of business at 548 Market Street, PMB 57274, San Francisco, California, 94104-5401, and Upbound, Inc., a Delaware corporation (“Assignor”), having a place of business at 316 2nd Avenue South, Suite 200 Seattle, Washington 98104.

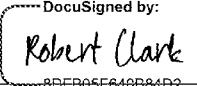

- 1) **Background.** Assignor is the owner of all rights, title, and interest in and to the CROSSPLANE trademark and Crossplane Logo, including the trademark registrations, domain name, and social media accounts set forth in Schedule 1 (collectively, the “Trademarks”). Assignor wishes to assign to Assignee, and Assignee wishes to acquire, all rights, title and interest in and to the Trademarks.
- 2) **Assignment of Rights.** For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby assigns to Assignee, its successors and assigns all rights, title and interest as Assignor may possess, anywhere in the world, in and to the Trademarks, together with (i) the goodwill symbolized by said Trademarks, and (ii) all registrations and applications for said Trademarks.
- 3) **Assistance.** Assignor will assist Assignee as reasonably necessary to transfer, secure, perfect, maintain or evidence the rights hereby assigned. Assignor will take such reasonable action as may be required to transfer ownership of any of the Trademarks, including any domain name and social media account, to Assignee as Assignee may reasonably request, at Assignee’s expense.

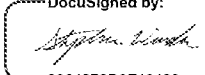

To the best knowledge of Assignor, Schedule 1 comprises a complete list of trademark filings, domain names, and social media accounts containing the term “crossplane” owned or controlled by Assignor as of the date of execution of this Agreement, and neither the execution or performance of this Agreement will violate the terms of any agreement between the Assignor and any third party. Assignor will not challenge, interfere with or oppose Assignee’s use, application or registration of the Trademarks.
