**CONFIRMATORY GRANT OF SECURITY INTEREST  
IN UNITED STATES TRADEMARKS**

**THIS CONFIRMATORY GRANT OF SECURITY INTEREST IN UNITED STATES TRADEMARKS** (the “Confirmatory Grant”) is made effective as of October 1, 2020 by and from **AKORN OPERATING COMPANY LLC**, a Delaware limited liability company (the “Grantor”), to and in favor of **MIDCAP FUNDING IV TRUST** (the “Grantee”), for itself and as Administrative Agent for the Secured Parties (as defined in the Credit Agreement referenced below).

**WHEREAS**, the Grantor, the other Loan Parties, the Lenders and the Grantee (as successor-by-assignment to MidCap Financial Trust) have entered into a Credit Agreement dated October 1, 2020 (as may be amended, restated, supplemented or otherwise modified from time to time, the “Credit Agreement”).

**WHEREAS**, the Grantor and the other Loan Parties have entered into an ABL Pledge and Security Agreement dated October 1, 2020 (as may be amended, restated, supplemented or otherwise modified from time to time, the “Security Agreement”).

**WHEREAS**, the Grantor owns the trademarks listed on Exhibit A attached hereto (the “Trademarks”), which Trademarks are pending or registered with the United States Patent and Trademark Office.

**WHEREAS**, this Confirmatory Grant has been granted in conjunction with the security interest granted to the Grantee under the Security Agreement. The rights and remedies of the Grantee with respect to the security interest granted herein are without prejudice to and are in addition to those set forth in the Security Agreement and the other Loan Documents, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Confirmatory Grant are deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern.

**NOW, THEREFORE**, in consideration of the mutual covenants and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is hereby agreed that:

1) Definitions. All capitalized terms not defined herein shall have the respective meaning given to them in the Credit Agreement.

2) The Security Interest.

(a) This Confirmatory Grant is made to secure the satisfactory performance and payment of all the Secured Obligations. Upon the payment in full of all Secured Obligations (other than contingent indemnification obligations), the Grantee shall promptly, upon such satisfaction, execute, acknowledge, and deliver to the Grantor all reasonably requested instruments in writing releasing the security interest in the Trademarks acquired under this Confirmatory Grant.

(b) The Grantor hereby grants to the Grantee a security interest in (1) all of the Grantor’s right, title and interest in and to the Trademarks, together with (2) all income, royalties,

damages, claims, and payments now or hereafter due or payable under and with respect to the Trademarks (including without limitation damages and payments for all causes of action arising prior to or after the date hereof for infringement of the Trademarks), and (3) the goodwill associated with such Trademarks.

3) Counterparts. This Confirmatory Grant may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

4) Governing Law. This Confirmatory Grant and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

\*\*\*\*\*

IN WITNESS WHEREOF, the Grantor has executed this Confirmatory Grant of Security Interest effective as of the day and year first above written.

AKORN OPERATING COMPANY  
LLC, a Delaware limited liability company
