The Lenders have agreed to extend credit to the Company on the terms and subject to the conditions set forth in the Credit Agreement. The Credit Agreement requires the execution and delivery of this Agreement by the undersigned. The Company will derive substantial benefits from the continued extension of credit to the Company pursuant to the Credit Agreement and are willing to execute and deliver this Agreement in consideration of the Lenders having extended and continuing to extend such credit. (b) all reissues, continuations, divisions, continuations-in-part, renewals or extensions thereof, and the inventions disclosed or claimed therein, including the right to make, use and/or sell the inventions disclosed or claimed therein;

(c) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office or any similar offices in any State of the United States or any other country or any political subdivision thereof, and all extensions or renewals thereof, including those listed on Schedule II; and
