TRADEMARK COLLATERAL AGREEMENT

This TRADEMARK COLLATERAL AGREEMENT (as amended, restated, amended and restated, supplemented or otherwise modified, this “*Agreement*”) is made on this 7th day of December, 2020, by 3Pillar Global, Inc., a Virginia corporation (“*Grantor*”), with its principal place of business and mailing address at 400 Madison Avenue, Suite 3A, New York, NY 10017, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, hereby grants, assigns, conveys, pledges, hypothecates and collaterally transfers to Maranon Capital, L.P., with its mailing address at 303 West Madison Street, Suite 2500, Chicago, Illinois 60606, in its capacity as Agent for Lenders (“*Agent*”), for the benefit of the Secured Parties, a continuing security interest in and to all of its right, title and interest in, to and under the following property, whether now owned by or owing to, or hereafter acquired by or arising in favor of Grantor (including under any trade names, styles or derivations thereof), and whether owned or consigned by or to, or leased from or to, such Grantor, and regardless of where located (the “*Trademark Collateral*”):

- (i) each trademark, trademark registration and trademark application listed on Schedule A hereto, and all of the goodwill associated with or symbolized by, each such trademark, trademark registration and trademark application and all extensions and renewals thereof; and
- (ii) all proceeds of the foregoing, including without limitation (x) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing and (y) any and all claims and causes of action by Grantor against third parties for damages, restitution and injunctive and other legal and equitable relief by reason of past, present or future infringement, dilution, misappropriation, violation, misuse, breach or default of any trademark, trademark registration or trademark application listed on Schedule A hereto or by reason of injury to the goodwill associated with any such trademark, trademark registration or trademark application, in each case together with the right but no obligation to sue for and collect, or otherwise recover, said damages;

to secure the payment and performance of the Guaranteed Obligations of Grantor as set out in that certain Security Agreement bearing even date herewith among Grantor, the other grantors party thereto and Agent, as the same may be amended, restated, amended and restated, modified, supplemented, replaced or otherwise modified from time to time (the “*Security Agreement*”).

Notwithstanding anything herein to the contrary, this Agreement shall not operate as a sale, transfer, conveyance or other assignment to Agent of any applications by Grantor for a trademark based on an intent to use the same if and so long as such application is pending without a Statement of Use having been filed and accepted (such pending applications which are based on intent to use being hereinafter referred to collectively as “*Intent-to-Use Applications*”), but rather, if and so long as Grantor’s Intent-to-Use Application is pending without a Statement of Use having been filed and accepted, then this Agreement shall operate only to create a security interest for collateral purposes in favor of Agent on such Intent-to-Use Application as collateral security for the

Obligations. When a Statement of Use is filed and accepted by the Trademark Office, then that application shall cease to be partly exempted from this Agreement.

Grantor authorizes the Commissioner for Trademarks and any other government officials to record and register this Agreement upon request by the Agent.

Grantor does hereby further acknowledge and affirm that the rights and remedies of Agent with respect to the collateral assignment, mortgage, pledge and security interest in the trademarks, trademark registrations and trademark applications made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

This Agreement may be executed in any number of counterparts, and by the different parties on different counterpart signature pages, all of which taken together shall constitute one and the same agreement. Any of the parties hereto may execute this Agreement by signing any such counterpart and each of such counterparts shall for all purposes be deemed to be an original. Delivery of a counterpart hereof by facsimile or in electronic (i.e., "pdf" or "tif") format shall be effective as delivery of a manually executed counterpart hereof.
