TRADEMARK SECURITY AGREEMENT

This **TRADEMARK SECURITY AGREEMENT**, dated as of December 3, 2020 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, this “**Agreement**”), is made by the entities identified as grantors on the signature pages hereto (collectively, the “**Grantors**”) in favor of Owl Rock Capital Corporation, as Collateral Agent for the Secured Parties (in such capacity and together with its successors and permitted assigns in such capacity, the “**Collateral Agent**”).

PRELIMINARY STATEMENTS

WHEREAS, AxiomSL, Inc., a Delaware corporation, and certain other Grantors are party to the Security Agreement, dated as of December 3, 2020 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”), between each of the Grantors and the other grantors party thereto and the Collateral Agent, pursuant to which the Grantors granted a security interest to the Collateral Agent in the Trademark Collateral (as defined below) and are required to execute and deliver this Agreement.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantors hereby agree with the Collateral Agent as follows:

SECTION 1. DEFINED TERMS

Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. GRANT OF SECURITY INTEREST

SECTION 2.1 As collateral security for the payment in full when due (whether at the stated maturity, by acceleration or otherwise) and performance of the Secured Obligations, each Grantor hereby pledges to the Collateral Agent, its successors and permitted assigns, for the benefit of the Secured Parties, and hereby grants to the Collateral Agent, its successors and permitted assigns, for the benefit of the Secured Parties, a security interest in, all right, title or interest in or to any and all of the following assets and properties (other than Excluded Assets) now owned or at any time hereafter owned or acquired by such Grantor or which such Grantor at any time in the future may own or acquire (collectively, the “**Trademark Collateral**” (which shall not include any Excluded Assets)):

(i) (a) all trademarks, service marks, trade names, corporate names, trade dress, logos, designs, fictitious business names and other source or business identifiers, now existing or hereafter owned, adopted or acquired, all registrations and recordings thereof, and all registration applications filed in connection therewith, including registrations and registration applications in the USPTO or any similar offices in any state of the United States or any political subdivision thereof, and all extensions or renewals thereof, as well as any unregistered trademarks and service marks used by a Grantor including any of the foregoing listed in Schedule A; and (b) all goodwill arising from the use of and symbolized thereby;

(ii) any written agreement, now or hereafter in effect, granting to any third party any right to use any Trademark now or hereafter owned by any Grantor or that any Grantor otherwise has the right to license, or granting to any Grantor any right to use any Trademark now or hereafter owned by any third party, and all rights of any Grantor under any such agreement; and

(iii) to the extent not otherwise included, all additions, improvements, Proceeds, products, accessions, rents, profits, renewals, extensions, rights to sue or otherwise recover damages for past, present, or future infringements or other violations thereof of any and all of the foregoing and all Supporting Obligations, collateral security and guarantees given by any Person with respect to any of the foregoing throughout the world.

SECTION 2.2 Certain Limited Exclusions. Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include or the security interest granted under Section 2.1 hereof attach to any "intent-to-use" application for registration of a Trademark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, prior to the filing of a "Statement of Use" pursuant to Section 1(d) of the Lanham Act or an "Amendment to Allege Use" pursuant to Section 1(c) of the Lanham Act with respect thereto and acceptance thereof by the USPTO, solely to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of or void any registration that issues from such intent-to-use application under applicable federal law.

SECTION 3. SECURITY AGREEMENT

The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Collateral Agent for the Secured Parties pursuant to the Security Agreement, and the Grantors hereby acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. GOVERNING LAW

SECTION 10.15 (GOVERNING LAW) OF THE CREDIT AGREEMENT IS HEREBY INCORPORATED BY REFERENCE, MUTATIS MUTANDIS.

SECTION 5. COUNTERPARTS

This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by facsimile or other electronic transmission of an executed counterpart of a signature page to this Agreement shall be effective as delivery of an original executed counterpart of this Agreement and such other Loan Document.

[Signature Pages Follow]

IN WITNESS WHEREOF, each Grantor has caused this Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
