TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (“*Assignment*”), dated as of June 1, 2020 (the “*Effective Date*”) is between KAIROS APPRAISAL SERVICES LLC, a Delaware limited liability company (the “*Assignee*”), on the one hand, and THE LOAN STORE LLC, a Delaware limited liability company, formerly named ETHOS LENDING LLC (“*Assignor*”).

WHEREAS, Assignor and Assignee are parties to the Membership Interest Purchase Agreement, dated as of March 1, 2019 (“*Purchase Agreement*”), among Assignor (then named Ethos Lending LLC), Assignee, and the other Parties thereto (as defined therein), pursuant to which certain trademarks were to be assigned to Assignee;

WHEREAS, Assignor and Assignee now execute this Assignment to assign these certain trademarks as required under the Purchase Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Assignor hereby assigns, transfers and conveys to Assignee all of Assignor’s right, title and interest in and to the Trademarks that are listed on Schedule A hereto, together with the goodwill of the business connected with the use thereof and symbolized thereby, the registrations and applications for registration thereof and rights of renewal and extension thereof, all income, royalties, damages and payments now or hereafter due or payable with respect thereto, all common-law rights related thereto and all causes of action and rights of recovery for, and all claims for damages by reason of, past, present and future infringements, dilutions or violations of the foregoing, and the right to bring any proceeding in the United States Patent and Trademark Office or any equivalent agency in any other country for cancellation, opposition or otherwise in connection with the trademarks (the foregoing, collectively, the “*Assigned Trademarks*”).

2. Each party warrants that (i) this Assignment is a legal, valid and binding obligation of the warranting party, and (ii) it has full power and authority to enter into and perform its obligations under this Assignment in accordance with its terms. The Assigned Trademarks are assigned solely on an “as is” basis.

3. The right, title and interest in and to each of the Assigned Trademarks is to be held and enjoyed by Assignee and Assignee’s successors and assigns as fully and exclusively as it would have been held and enjoyed by Assignor had this assignment not been made.

4. Assignor will, without additional consideration, take such further actions and execute promptly such further documents as are necessary to effect and record the assignment herein, including any actions or documents that may be necessary to protect, secure and vest good, valid and marketable title to the Assigned Trademarks in Assignee.

5. Assignor hereby authorizes Assignee to request the relevant government entity or agency, in each applicable country or jurisdiction, to record Assignee as the assignee and owner of the Assigned Trademarks.

6. This Assignment may be executed in one or more counterparts, all of which shall be considered one and the same agreement, and shall become effective when one or more such counterparts have been signed by each of the parties and delivered to the other party.

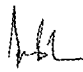

7. This Assignment shall be governed and construed in accordance with the laws of the State of Delaware.

IN WITNESS WHEREOF, the undersigned have caused this Assignment to be duly executed and delivered as of the date first written above.
