AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT

THIS AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of December 14, 2020, by and between SWEETGREEN, INC., a Delaware corporation (the "Company"), in favor of EAGLEBANK (the "Lender") is entered into pursuant to the A&R Credit Agreement referred to below.

RECITALS

A. The Company and the Lender are parties to that certain Revolving Credit and Security Agreement, dated as of December 6, 2017, as amended on June 8, 2020 and on September 23, 2020 (the "Original Credit Agreement"), pursuant to which the Lender provided a revolving credit facility (the "Revolving Facility") to the Company.

B. The Company and the Lender entered into that certain Trademark Security Agreement, dated as of December 6, 2017 (the "Original Trademark Security Agreement"), pursuant to which the Company granted to the Lender a first priority security interest in the Trademark Collateral (as defined in the Original Trademark Security Agreement).

C. The Company, the Lender and the entities that become parties thereto as guarantors (each, a "Guarantor" and, collectively, the "Guarantors") entered into that certain First Amended and Restated Revolving Credit, Delayed Draw Term Loan and Security Agreement, dated as of the date hereof (the "A&R Credit Agreement"), pursuant to which the Company and the Lender amended and restated the Original Credit Agreement in order to, *inter alia*, reflect an increase to the Current Facility Cap and to reflect the addition of the Term Loan.

D. In order to secure Obligations under the A&R Credit Agreement, the Company has granted to the Lender a security interest and lien in and to all of the Company's assets, including, without limitation, all patents, trademarks, trademark registrations, trade names, copyrights, all applications therefor and all other intellectual or proprietary rights or interests of any kind, nature or description whatsoever.

E. One of the requirements of the A&R Credit Agreement and the other Loan Documents (as such term is defined in the A&R Credit Agreement) is that the Company shall have executed and delivered this Agreement to the Lender.

NOW, THEREFORE, in consideration of the Revolving Facility and the Term Loan Commitment, the mutual promises and understandings of the Company and the Lender set forth herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Company covenants unto and agrees with the Lender as follows:

1. Defined Terms. Capitalized terms used but not elsewhere defined in this Agreement shall have the respective meanings ascribed to such terms in the A&R Credit Agreement. The term "Trademarks" shall mean any and all trademarks, trade names, registered trademarks, trademark applications, service marks, registered service marks and service mark applications, including (a) the trade names, registered trademarks, trademark applications,

registered service marks and service mark applications listed on Schedule 1 attached hereto, (b) all renewals thereof, (c) all income, royalties, damages and payments now and hereafter due or payable under and with respect thereto, including payments under all licenses entered into in connection therewith and damages and payments for past or future infringements or dilutions thereof, (d) the right to sue for past, present and future infringements and dilutions thereof, (e) the goodwill of the Company's business symbolized by the foregoing or connected therewith, and (f) all of the Company's rights corresponding thereto throughout the world. Notwithstanding the foregoing, the Trademarks do not include any intent-to-use trademarks prior to the filing of an amendment to allege use of the trademark under 15 U.S.C. 1051(c) or the filing of a verified statement of use under 15 U.S.C. 1051(d) with the United States Patent and Trademark Office.

2. Grant Of Security Interest In Trademark Collateral. To secure the Obligations, the Company hereby grants to the Lender a continuing first priority security interest (subject only to Permitted Liens that are permitted to have superior priority to Lender's Lien) in all of the Company's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "Trademark Collateral"):

(a) each Trademark listed on Schedule 1 annexed hereto, together with any reissues, continuations or extensions thereof, and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark; and

(b) all products and proceeds of the foregoing, including, without limitation, any claim by the Company against third parties for past, present or future (i) infringement or dilution of any Trademark or (ii) injury to the goodwill associated with any Trademark.

3. Agreement; Security Agreement. The security interests granted pursuant to this Agreement are granted in conjunction with the security interests granted to the Lender pursuant to the A&R Credit Agreement. The Company hereby acknowledges and affirms that the rights and remedies of the Lender with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the A&R Credit Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

4. Authorization To Supplement. With the Company's prior written consent, the Lender may modify this Agreement by amending Schedule I to include any future United States registered trademarks therefor of the Company (other than intent-to-use trademarks prior to the filing of an amendment to allege use of the trademark under 15 U.S.C. 1051(c) or the filing of a verified statement of use under 15 U.S.C. 1051(d) with the United States Patent and Trademark Office). Notwithstanding the foregoing, no failure to so modify this Agreement or amend Schedule I shall in any way affect, invalidate or detract from the Lender's continuing security interest in all Trademark Collateral, whether or not listed on Schedule I.

5. Counterparts. This Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Agreement by signing and delivering one or more counterparts. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or in electronic (i.e., "pdf" or "tif") format shall be effective as delivery of a manually executed counterpart of this Agreement.

6. Severability. In the event and to the extent that any provision hereof shall be deemed to be invalid or unenforceable by reason of the operation of any law or by reason of the interpretation placed thereon by any court, this Agreement shall to such extent be construed as not containing such provision, but only as to such locations where such law or interpretation is operative, and the invalidity or unenforceability of such provision shall not affect the validity of any remaining provisions hereof, and any and all other provisions hereof which are otherwise lawful and valid shall remain in full force and effect. In the event of a conflict between this Agreement and the A&R Credit Agreement, this Agreement shall govern.

7. Assignments. This Agreement shall create a continuing lien on and security interest in the Trademark Collateral and shall be binding upon the Company and its successors and assigns and shall inure to the benefit of the Lender and its successors and permitted assigns.

8. Governing Law. This Agreement, and the rights and duties of the parties hereto, shall be construed and determined in accordance with the internal laws of the State of Maryland.

9. Reaffirmation and No Novation. The Company, by its signature below, hereby (a) affirms and confirms its grant of security interests and other commitments and obligations, as applicable, under the Original Credit Agreement, and the Loan Documents as defined therein, and (b) confirms and agrees that all of its commitments and obligations, as applicable, under the Original Credit Agreement and the Loan Documents as defined therein, shall continue to be in full force and effect following the effectiveness of this Agreement, as the same may be further amended and restated. This Agreement shall not extinguish the obligations for the payment of money outstanding under the Original Credit Agreement and the Loan Documents defined therein or discharge or release the Liens or any other security therefor or any guarantee thereof. Nothing herein contained or any return of and/or notation as "Replaced" on any Loan Documents shall be construed as a substitution or novation of the obligations outstanding under the Original Credit Agreement and the Loan Documents defined therein or instruments guaranteeing or securing the same, which shall remain in full force and effect, except as modified hereby or by instruments executed concurrently herewith. Nothing expressed or implied in this Agreement or in any other document contemplated hereby or thereby or any return of and/or notation as "Replaced" on any Loan Documents shall be construed as a release or other discharge of Borrower or any Guarantor under the Loan Documents from any of their respective obligations and liabilities thereunder except as may be contemplated by this Agreement.
