TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (“Assignment”) is effective as of December 7, 2020 (“Effective Date”). The “Assignor” is UltraDNS Corporation, a corporation organized and existing under the laws of the state of Delaware, with an address of 21575 Ridgetop Circle, Sterling, Virginia, 20166. The “Assignee” is Security Services, LLC, a limited liability company, organized and existing under the laws of the state of Delaware, with an address of 21575 Ridgetop Circle, Sterling, Virginia, 20166.

WHEREAS, Assignor desires to sell, convey, assign, transfer, and deliver to Assignee all trademarks set forth on Exhibit A hereto (the “Assigned Trademarks”).

NOW, THEREFORE, in consideration of one dollar (U.S. \$1.00) and for other good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged:

1. Assignment of Assigned Trademarks. Assignor hereby conveys, sells, assigns and transfers to Assignee its entire worldwide right, title and interest in and to all of the Assigned Trademarks set forth on Exhibit A hereto, together with any common law or other unregistered rights Assignor has in the Assigned Trademarks in connection with the goods/services listed in the applications/registrations, and together with any and all goodwill connected with and symbolized by the Assigned Trademarks, the same to be held and enjoyed by Assignee for its own use and enjoyment and the use and enjoyment of its successors, assigns and other legal representatives as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made, as assignee of Assignor’s entire right, title and interest therein, including, without limitation, all rights in and to all fees, income, royalties, damages and payments now or hereafter due or payable with respect thereto, all causes of action (whether in law or in equity) with respect thereto, and the right to sue, counterclaim, and recover damages and other remedies for past, present and future infringement, misappropriation, dilution or other violation of the rights assigned or to be assigned to Assignee under this Assignment.
2. Binding. This Assignment shall be binding upon and inure to the benefit of the Assignor, the Assignee and their respective permitted successors and assigns. It is understood that any finding of invalidity of one assignment as effected hereby shall not affect the assignment of other Assigned Trademarks.
3. Severability. If any term or provision of this Assignment is held invalid, illegal or unenforceable in any respect under any applicable law, as a matter of public policy or on any other grounds, the validity, legality and enforceability of all other terms and provisions of this Assignment will not in any way be affected or impaired. If the final judgment of a court of competent jurisdiction or other government authority declares that any term or provision hereof is invalid, illegal or unenforceable, Assignor agrees that the court making such determination will have the power to reduce the scope, duration, area or applicability of the term or provision, to delete specific words or phrases, or to replace any invalid, illegal or unenforceable term or provision with a term or provision that is valid, legal and enforceable and that comes closest to expressing the intention of the invalid, illegal or unenforceable term or provision.

4. Further Assurances. Assignor shall execute and deliver such documents, and take such other action, as shall be reasonably requested by Assignee to carry out the transactions contemplated by this Assignment, and shall take such reasonable actions as may be necessary or appropriate to record, memorialize or make effective the assignments of the Assigned Trademarks contemplated hereby as may be reasonably requested by Assignee, and to vest and perfect in such Assignee such right, title, and interest in and to the Assigned Trademarks as sold, assigned and transferred to Assignee hereunder.

5. Recordation. Assignor hereby authorizes and requests the officials of any applicable trademark office or corresponding entities or agencies in any applicable jurisdiction to record Assignee as assignee and owner of the entire right, title and interest in, to and under the Assigned Trademarks.

6. Governing Law. This Assignment will be exclusively governed by and construed and enforced in accordance with the internal laws of the State of Delaware, without giving effect to any law or rule that would cause the laws of any jurisdiction other than the State of Delaware to be applied.

7. No Third-Party Beneficiaries. Nothing in this Assignment shall create or be deemed to create any third-party beneficiary rights in any person or entity not a party hereto, including any affiliates of any Party.
