- (ii) all goodwill associated therewith or symbolized thereby, (iii) all rights, priorities and privileges related thereto, and (iv) all rights to sue at law or in equity for any

infringement, dilution or other violation or impairment thereof, including the right to receive all Proceeds therefrom.

3. Purpose. This Agreement has been executed and delivered by Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office.

4. Termination or Release.
