## INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT (this “**Agreement**”) made as of this 21<sup>st</sup> day of December, 2020 by DAYTON SUPERIOR CORPORATION, a Delaware corporation (the “**Grantor**”), in favor of PNC BANK, NATIONAL ASSOCIATION (“**PNC**”), in its capacity as agent for the Lenders (“**Agent**”).

### W I T N E S S E T H

WHEREAS, Grantor (together with each Person party to the Credit Agreement (as defined below) as a borrower from time to time, collectively, the “**Borrowers**”), Dayton Superior Canada Ltd./Dayton Superior Canada Ltee, a British Columbia corporation (“**Superior Canada**” together with each Person party to the Credit Agreement from time to time as a guarantor, collectively, the “**Guarantors**”; and the Guarantors together with the Borrowers, collectively, the “**Loan Parties**”, and each a “**Loan Party**”) have entered into that certain Revolving Credit and Security Agreement, dated as of the date hereof, among Loan Parties, the financial institutions which are now or which thereafter become a party thereto (collectively, the “**Lenders**” and each individually a “**Lender**”) and Agent (as amended, restated, supplemented, or replaced from time to time, the “**Credit Agreement**”), whereby Lenders agreed to make certain financial accommodations available to Loan Parties from time to time pursuant to the terms and conditions thereof;

WHEREAS, as security for the Obligations under the Credit Agreement, Grantor has granted to Agent, for the benefit of Lenders, a security interest in substantially all of the assets of such Grantor including all right, title and interest of such Grantor in, to and under all now owned and hereafter acquired patents, copyrights, trademarks (or any application in respect of the foregoing), and all products and proceeds thereof, to secure the payment of all amounts owing by Loan Parties under the Credit Agreement;

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, Grantor agrees as follows:

1. Incorporation of Credit Agreement. Article IV of the Credit Agreement and the terms and provisions of such Article IV are hereby incorporated in their entirety by this reference. All terms capitalized but not otherwise defined herein shall have the same meanings ascribed to them in the Credit Agreement.

2. Grant and Reaffirmation of Grant of Security Interests. To secure the payment and performance of the Obligations under the Credit Agreement, Grantor hereby grants to Agent, for the benefit of itself and Lenders, and hereby reaffirms its prior grant pursuant to the Credit Agreement of a continuing security interest in such Grantor’s entire right, title and interest in and to the following whether now owned or existing or hereafter created, acquired or arising:

a. each trademark, trademark application, copyright, copyright application, each patent and patent application listed on Schedule 1 annexed hereto (such trademarks and trademark applications, the “**Trademarks**”; such copyrights and copyright applications, the “**Copyrights**”; and such patents and patent applications, the “**Patents**”), in each case, together with any reissues, continuations or extensions thereof, and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark, Patent or Copyright; and

b. all products and proceeds of the foregoing, including without limitation, any claim by any Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark, Copyright or Patent, or (ii) injury to the goodwill associated with any Trademark.

3. Covenants. Except as otherwise permitted under the Credit Agreement, Grantor agrees not to sell, license, grant any option, assign or further encumber its rights and interests in the Trademarks, Copyrights or Patents without the prior written consent of Agent.

4. Representations and Warranties. Grantor hereby represents and warrants that, to the best of Grantor's knowledge, the Trademarks, Copyrights and Patents listed on Schedule 1 attached hereto constitute all registered trademarks, trademark applications, copyright registrations, copyright applications, patents and patent applications owned or registered to such Grantor as of the date of this Agreement.

5. Authorization To Supplement. If Grantor shall obtain rights to any new Trademarks, Patents or Copyrights, this Agreement shall automatically apply thereto. Without limiting any Grantor's obligations under this Section 5, Grantor hereby authorizes Agent unilaterally to modify this Agreement by amending Schedule 1, to include any such new Trademarks, Patents or Copyrights of any Grantor identified in a written notice provided by a Grantor. Notwithstanding the foregoing, no failure to so modify this Agreement or amend Schedule 1 hereto shall in any way affect, invalidate or detract from Agent's continuing security interest in all Trademarks, Patents or Copyrights, whether or not listed on the schedules hereto.

6. Counterparts. This Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Agreement by signing and delivering one or more counterparts. Delivery by facsimile or electronic transmission shall bind the parties hereto.

7. Governing Law. This Agreement, and all matters relating hereto or arising herefrom (whether arising under contract law, tort law or otherwise) shall, in accordance with Section 5-1401 of the General Obligations Law of the State of New York, be governed by and construed in accordance with the laws of the State of New York. Any judicial proceeding brought by or against Grantor with respect to this Agreement may be brought in any court of competent jurisdiction in the State of New York, United States of America, and, by execution and delivery of this Agreement, Grantor accepts for itself and in connection with its properties, generally and unconditionally, the non-exclusive jurisdiction of the aforesaid courts, and irrevocably agrees to be bound by any judgment rendered thereby in connection with this Agreement.

8. Termination. This Agreement and the Liens and security interests granted hereunder shall automatically terminate upon a termination of the Credit Agreement pursuant to and in accordance with Section 13.2 thereof.

**[Signatures to appear on following page]**

**IN WITNESS WHEREOF**, Grantor has duly executed this Agreement as of the date first written above.

**DAYTON SUPERIOR CORPORATION**
