ANNEX C
TRADEMARK ASSIGNMENT

This Trademark Assignment (this "Assignment") is made and entered into effective as of December 11, 2020, by and between Chris Christensen Systems, Inc., a Texas corporation, with an address at 325 Industrial Park Dr., Fairfield, Texas 75840 ("Assignor"), and Chris Christensen Systems, LLC, a Delaware limited liability company, with an address at 325 Industrial Park Dr., Fairfield, Texas 75840 ("Assignee").

WHEREAS, Assignor and Assignee are parties to the IP Assignment Agreement of an even date herewith, whereby Assignor has agreed to assign the Trademarks (as defined below), and to execute and deliver this Assignment for recording with governmental authorities including, but not limited to, the U.S. Patent and Trademark Office.

1. Assignment. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby irrevocably conveys, transfers and assigns to Assignee all of Assignor's right, title and interest in and to the following (the "Trademarks"), together with the goodwill of the business connected with the use of and symbolized by the Trademarks: (a) trademarks, and trademark applications and registrations, and all extensions and renewals thereof, set forth on Attachment A hereto, provided that, with respect to intent-to-use applications, if any, the transfer of such accompanies the transfer of Assignor's ongoing and existing business or portion thereof to which the trademark pertains; (b) all rights of any kind of Assignor accruing under any of the foregoing provided by applicable law, treaties and conventions, and otherwise throughout the world; (c) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and (d) any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on or after the date hereof, with the right but no obligation to sue for such relief and to collect, or otherwise recover, any such damages.

2. Recordation and Further Actions. Assignor hereby authorizes the Commissioner for Trademarks in the U.S. Patent and Trademark Office and the officials of corresponding entities or agencies in any applicable jurisdictions to record and register this Assignment upon Assignee request. Following the date hereof, upon Assignee's request, Assignor shall take such steps and actions, and provide such cooperation and assistance to Assignee and its successors, assigns and legal representatives as may be necessary to effect, evidence or perfect the assignment of the Trademarks.

3. Successors and Assigns. This Assignment will bind and inure to the benefit of Assignor and Assignee and their respective successors and permitted assigns.

4. Counterparts. This Assignment may be executed in multiple counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the parties delivered to the other party, it being understood that all parties need not sign the same counterpart. Copies with signatures transmitted electronically shall be deemed to be original signed versions.
