TERMINATION AND RELEASE OF SECURITY INTEREST IN TRADEMARKS

This **TERMINATION AND RELEASE OF SECURITY INTERESTS IN TRADEMARKS** (“*Release*”) is granted as of December 18, 2020 by **WELLS FARGO BANK, NATIONAL ASSOCIATION**, as administrative agent for the Lender Group and the Bank Product Providers (each as defined below in the Security Agreement (as defined below)) (the “*Agent*”), in favor of **AIRTEK, LLC**, a Delaware limited liability company, **AP EMISSIONS TECHNOLOGIES, LLC**, a Delaware limited liability company, and **ARISTO, LLC**, a Delaware limited liability company (each a “*Grantor*” and collectively, the “*Grantors*”); and

WHEREAS, the Grantors are party to a Guaranty and Security Agreement dated as of September 14, 2020 (as amended, restated, supplemented, replaced, increased, refinanced or otherwise modified from time to time, the “*Security Agreement*”), by and among the Grantors, the other grantors party thereto, the Agent and the lenders from time to time party thereto;

WHEREAS, the Grantors have executed and delivered the Trademark Security Agreement, dated as of September 14, 2020, which was recorded with the United States Patent and Trademark Office on September 30, 2020, at Reel 7065 and Frame 0549 (“*Trademark Agreement*”), pursuant to which the Grantors granted a security interest to the Agent in all of their right, title and interest in, to and under the Trademark Collateral (as defined in the Trademark Agreement); terms used herein and not otherwise defined shall have the meaning ascribed to such terms in the Security Agreement or the Trademark Agreement;

WHEREAS, the Agent (acting at the direction of the Lender Group and the Bank Product Providers) now desires to terminate and discharge fully its interest in the Trademark Collateral described in the Trademark Agreement, including, for the avoidance of doubt, the Trademarks identified in Schedule A annexed hereto.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Agent does hereby release, terminate, cancel and discharge fully any and all liens and security interests it may have in and to the Trademark Collateral (as defined in the Trademark Agreement). If, and to the extent that the Agent has acquired any right, title and interest in, to, and under the Trademark Collateral (as defined in the Trademark Agreement), the Agent hereby re-transfers, re-conveys and re-assigns such right, title or interest to each applicable Grantor. The Agent terminates and cancels the Trademark Agreement.

The Agent agrees to take all further actions, and provide to each Grantor and their respective successors, assigns or other legal representatives, all such cooperation and assistance (including, without limitation, the execution and delivery of any and all documents or other instruments), reasonably requested by such Grantor, at the applicable Grantor’s sole cost and expense, to more fully and effectively effectuate the purposes of this Release; provided that any such further action shall be without representation or warranty by, or recourse to, the Agent, any Lender or Bank Product Provider. The Agent hereby authorizes and requests that the United States Patent and Trademark Office note and record the present Termination and Release of Security Interest in Trademarks.

This Release may be executed by means of (a) an electronic signature that complies with the federal Electronic Signatures in Global and National Commerce Act, state enactments of the

Uniform Electronic Transactions Act, or any other relevant and applicable electronic signatures law; (b) an original manual signature; or (c) a faxed, scanned, or photocopied manual signature. Each electronic signature or faxed, scanned, or photocopied manual signature shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature. Agent reserves the right, in its sole discretion, to accept, deny, or condition acceptance of any electronic signature on this Release or on any notice delivered to Agent under this Release. This Release and any notices delivered under this Release may be executed in any number of counterparts, each of which shall be deemed to be an original, but such counterparts shall, together, constitute only one Release. Delivery of an executed counterpart of a signature page of this Release and any notices as set forth herein will be as effective as delivery of a manually executed counterpart of the Release or notice.

THIS RELEASE OF SECURITY INTEREST IN TRADEMARKS SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

IN WITNESS WHEREOF, the undersigned has duly executed and delivered this Termination and Release of Security Interest in Trademarks as of the date above first written.
