## TRADEMARK TRANSFER AND ASSIGNMENT AGREEMENT

This trademark transfer and assignment agreement (“**Agreement**”), dated December 18, 2020, is made and entered into by and among ContacEZ LLC (“**Assignor**”) and Directa AB (“**Assignee**”) (each a “**Party**,” and collectively the “**Parties**”).

### RECITAL

**WHEREAS**, Assignor has obtained the Registration (as such term is defined herein) of one (1) trademark with the United States Patent and Trademark Office;

**WHEREAS**, as a part of an acquisition of business and intellectual property assets, Assignor desires to transfer and assign to Assignee, and Assignee wishes to obtain Assignor’s entire right, title, and interest in and to the Registration.

**NOW THEREOFRE**, in consideration of the premises and the mutual covenants and agreements hereinafter contained, the Parties hereby agree as follows:

**1. Transfer of Registration.** Assignor hereby irrevocably assigns all of its right, title, and interest together with all of its right, title, and interest together with all the goodwill of the business symbolized thereby, and all other rights in the United States and in all countries and territories worldwide and under any international convention identified in the Registration and set forth on Schedule A to Assignee (the “**Registration**”). Assignor acknowledges that, following such assignment, Assignee shall be the owner of all right, title, and interest in and to the Registration. Assignee will record the assignment as it deems necessary and at its sole expense. Assignor will take all additional steps and execute additional documents as reasonably requested by Assignee to perfect this assignment and/or register this assignment with the proper state and local regulatory agencies and authorities.

**1.1** Assignor acknowledges itself as the applicant and owner of the Registration set forth on Schedule A and that the Registration is free and clear of any security interest or other lien or encumbrance of any kind.

**1.2** Assignor represents, warrants, and covenants that the transfer by Assignor to Assignee as contemplated hereby shall transfer to Assignee good and marketable title to the Registration.

**1.3** Assignor acknowledges that the assignment of the Registration to Assignor shall not result in the breach of any agreement to which the Assignor is a party, nor will such assignment result in the breach of any federal or state law and that no consent is required in connection with the transfer contemplated by this Agreement. Assignor shall not at any time do or knowingly permit to be done, any act or thing that would impair the rights of the Assignee in and to the Registration, or adversely affect the validity of the Registration.

**2. Consideration.** Assignee is taking possession and assignment of the Registration as part of an acquisition of assets, whereby the Assignor is transferring the Registration to the Assignee.
