Exhibit F

Assignment of Trademark Rights

THIS ASSIGNMENT OF TRADEMARK RIGHTS is made as of October 1, 2020, by Vascular Designs, Inc., a Delaware corporation with its principal place of business at 917 Pramukhs Way, San Jose, California 95120 ("Assignor"), to Merit Medical Systems, Inc., a Utah corporation with its principal place of business at 1600 West Merit Parkway, South Jordan, Utah 84095 ("Assignee").

RECITALS

Assignee and Assignor are parties to an Asset Purchase Agreement, dated as of the date hereof (the "Agreement"), pursuant to which Assignor has agreed to sell to Assignee and Assignee has agreed to buy from Assignor certain Intellectual Property Assets (as defined in the Agreement), including, without limitation, all of the trademarks and trademark applications of Assignor. Pursuant to the Agreement, Assignor has agreed to execute such instruments as the Assignee may reasonably request in order more effectively to assign, transfer, grant, convey, assure and confirm to Assignee and its successors and assigns, or to aid and assist in the collection of or reducing to possession by the Assignee of, all of such assets.

In accordance therewith, Assignor desires to transfer and assign to Assignee, and Assignee desires to accept the transfer and assignment of, all of Assignor's worldwide right, title and interest in, to and under the Trademark Rights (as defined below).

ASSIGNMENT

NOW THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, Assignor hereby conveys, assigns, transfers and delivers to Assignee, its successors and assigns, its entire right, title and interest throughout the world in, to, and under: (i) the trademarks listed on Schedule A attached hereto, along with (a) all rights to sue or recover and retain damages, costs and attorneys' fees for past, present and future infringement, misappropriation or other violation thereof (including, without limitation, all income, royalties, damages, and payments hereafter due or payable to Assignor with respect to any trademark); (b) all material unregistered trademarks, together with all adaptations, derivations and combinations thereof; (collectively the "Trademark Rights").

Assignor represents, warrants and covenants that: (i) it is the sole owner, assignee and holder of record title to the Trademark Rights, (ii) it has obtained and properly recorded previously executed assignments for the Trademark Rights as necessary to fully perfect its rights and title therein in accordance with governing law and regulations in each respective jurisdiction, and (iii) it has full power and authority to make the present assignment.

Assignor will, at the reasonable request of Assignee and without demanding any further consideration therefor, do all things reasonably necessary, proper, or advisable, including without limitation the execution, acknowledgment and recordation of specific assignments, oaths, declarations and other documents on a country-by-country basis, to assist Assignee in obtaining, perfecting, sustaining, and/or enforcing the Trademark Rights. If Assignee is unable for any reason whatsoever to secure Assignor's signature to any document it is entitled to under this Assignment of Trademark Rights, Assignor hereby irrevocably designates and appoints Assignee and its duly authorized officers and agents, as their agents and attorneys-in-fact with full power of substitution to act for and on their behalf and instead of Assignor, to execute and file any such document or documents and to do all other lawfully

permitted acts to further the purposes of the foregoing with the same legal force and effect as if executed by Assignor.

The terms and conditions of this Assignment shall inure to the benefit of Assignee, its successors, assigns and other legal representatives, and shall be binding upon Assignor, its successor, assigns and other legal representatives. Except to the extent that federal law preempts state law with respect to the matters covered hereby, this Assignment of Trademark Rights shall be governed by and construed in accordance with the laws of the State of Utah without giving effect to the principles of conflicts of laws thereof.

IN WITNESS WHEREOF, Assignor has caused its duly authorized officer to execute this Assignment of Trademark Rights as of the date first above written.

ASSIGNOR

By: 

Name: Robert Goldman

Title: CEO
