NOW, THEREFORE, in consideration of the promises and the agreements, provisions and covenants herein contained, the Grantor and the Agent agree as follows:

Section 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Guarantee and Security Agreement or the Credit Agreement, as applicable. The rules of construction specified in Section 1.2 of the Credit Agreement also apply to this Agreement.

Section 2. Grant of Security. As collateral security for the Obligations, the Grantor hereby grants to the Agent, for the benefit of the Secured Parties, a security interest in and continuing lien on all of the Grantor’s rights, title and interest in, to and under the following:

- (1) all trademarks, trademark registrations, trade names, trademark applications, service marks, business names, fictitious business names, trade styles, trade dress, designs, logos and other source or business identifiers, all registrations thereof, and all registration and recording applications in the United States Patent and Trademark Office or any similar offices in any State of the United States or any other country or any political subdivision thereof, and all extensions or renewals thereof, including those listed on Schedule 1 (collectively, “**Trademark(s)**”),
