SHORT-FORM TRADEMARKS SECURITY AGREEMENT

WHEREAS, Preferred Unlimited Assets, LLC and Preferred Pipeline, LLC (each, a “Grantor,” and collectively, the “Grantors”) have adopted, used, are using, or intend to use, and are the owners of the trademarks and trademark applications listed in the attached Schedule of Registered Trademarks, and the registrations and applications associated therewith;

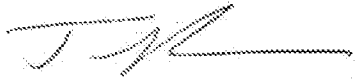

WHEREAS, each Grantor has contemporaneously with the execution of this Short-Form Trademarks Security Agreement entered into the Security Agreement dated as of December 22, 2020 (as modified from time to time, the “Security Agreement”), in which each such Grantor has granted certain interests in favor of Alter Domus (US) LLC, as administrative agent (the “Administrative Agent”) for the benefit of the Secured Creditors (as defined therein); and

WHEREAS, pursuant to the Security Agreement, the Grantors have agreed with the Administrative Agent and the Secured Creditors to execute this Short-Form Trademarks Security Agreement;

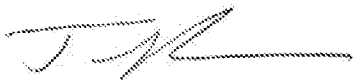

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby grants to the Administrative Agent for the benefit of the Secured Creditors, to the extent provided in the Security Agreement (the terms and conditions of which are hereby incorporated herein), a security interest in all of its right, title and interest in, to and under all the trademarks, whether now owned or at any time hereafter acquired, of such Grantor that are registered with, or for which applications for registration have been filed with, the United States Patent and Trademark Office, including the trademarks listed on the attached Schedule of Registered Trademarks, and all registrations and pending applications associated therewith (excluding any application for registration of a trademark filed on an intent-to-use basis solely to the extent that the grant of a security interest in any such trademark application would materially adversely affect the validity or enforceability of the resulting trademark registration or result in cancellation of such trademark application), as collateral security for the prompt and complete payment and performance when due of all the Secured Obligations (as defined in the Security Agreement). Notwithstanding the foregoing, in the event of any conflict between this Short-Form Trademarks Security Agreement and the Security Agreement, the Security Agreement shall control.
