TRADEMARK SECURITY AGREEMENT
(Trademarks, Trademark Registrations, Trademark
Applications and Trademark Licenses)

WHEREAS, American Covers, LLC, a Utah limited liability company, California Scents, LLC, a California limited liability company, Energizer Brands, LLC, a Delaware limited liability company, and Energizer Auto, Inc., a Delaware corporation (herein collectively referred to as the “**Grantors**” and each a “**Grantor**”) owns, or in the case of licenses is a party to, the Trademark Collateral (as defined below);

WHEREAS, Energizer Holdings, Inc., a Missouri corporation (the “**Borrower**”), the financial institutions from time to time parties thereto as lenders (the “**Lenders**”), the issuing banks from time to time parties thereto and JPMorgan Chase Bank, N.A., as administrative agent (the “**Administrative Agent**”) are parties to an Amended and Restated Credit Agreement dated as of the date hereof (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Credit Agreement**”); and

WHEREAS, pursuant to (i) a Guarantee and Collateral Agreement dated as of January 2, 2019 (as amended and/or supplemented from time to time, the “**Security Agreement**”) among the Borrower, the Guarantors party thereto and JPMorgan Chase Bank, N.A., as Administrative Agent for the Secured Parties referred to therein (in such capacity, together with its successors in such capacity, the “**Grantee**”), (ii) the Amendment and Restatement Agreement, dated as of the date hereof, among the Borrower, the Guarantors party thereto and the Administrative Agent, and (iii) certain other Security Documents (including this Trademark Security Agreement), each Grantor has guaranteed certain obligations of the Borrower and secured such guarantee (the “**Grantors’ Secured Guarantee**”) by granting to the Grantee for the benefit of such Secured Parties a continuing security interest in personal property of each Grantor, including all right, title and interest of each Grantor in, to and under the Trademark Collateral (as defined below);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby grants to the Grantee for the benefit of the Secured Parties, to secure the Grantors’ Secured Guarantee, a continuing security interest in all of such Grantor’s right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the “**Trademark Collateral**”), whether now owned or existing or hereafter acquired or arising:

- (i) each Trademark (as defined in the Security Agreement) owned by each Grantor, including, without limitation, each Trademark registration and application referred to in Schedule 1 hereto, and all of the goodwill of the business connected with the use of, or symbolized by, each Trademark;
- (ii) each Trademark License (as defined in the Security Agreement) to which each Grantor is a party, including, without limitation, each Trademark License identified in Schedule 1 hereto, and all of the goodwill of the business connected with the use of, or symbolized by, each Trademark licensed pursuant thereto; and
- (iii) all proceeds of and revenues from the foregoing, including, without limitation, all proceeds of and revenues from any claim by any Grantor against third parties for past, present or future unfair competition with, or violation of intellectual property rights in connection with or injury to, or infringement or dilution of, any Trademark owned by such Grantor (including, without limitation, any Trademark identified in Schedule 1 hereto), and all rights and benefits of any Grantor under any Trademark License (including, without limitation, any Trademark License identified in Schedule 1 hereto), or for injury to the goodwill associated with any of the foregoing;

provided that no security interest shall be granted in any Excluded Assets (as defined in the Security Agreement).

The Grantors irrevocably (until all of the Release Conditions are satisfied) constitute and appoint the Grantee and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full power and authority in the name of the Grantor or in the Grantee’s name, from time to time, in the Grantee’s discretion, so long as any Default shall have occurred and be continuing, to take with respect to the Trademark

Collateral any and all appropriate action which any Grantor might take with respect to the Trademark Collateral and to execute any and all documents and instruments which may be necessary or desirable to carry out the terms of this Trademark Security Agreement and to accomplish the purposes hereof.

Except to the extent expressly permitted in the Security Agreement or the Credit Agreement, each Grantor agrees not to sell, license, exchange, assign or otherwise transfer or dispose of, or grant any rights with respect to, or mortgage or otherwise encumber, any of the Trademark Collateral.

The foregoing security interest is granted in conjunction with the security interests granted by the Grantors to the Grantee pursuant to the Security Agreement. Each Grantor acknowledges and affirms that the rights and remedies of the Grantee with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

IN WITNESS WHEREOF, the Grantor has caused this Trademark Security Agreement to be duly executed by its officer thereunto duly authorized as of the 22 day of December, 2020.
