This INTELLECTUAL PROPERTY SECURITY AGREEMENT (as the same may from time to time be amended, restated or otherwise modified, this “Agreement”) is made effective as of December 23, 2020 by PURE SAFETY GROUP INC., a Delaware corporation (“Pledgor”), in favor of KEYBANK NATIONAL ASSOCIATION, a national banking association (“Lender”).

### 1. Recitals.

Pledgor and each Subsidiary Borrower, as defined in the Credit Agreement, as hereinafter defined (together with their respective successors and assigns, collectively, “Borrowers” and, individually, each a “Borrower”), entered into that certain Amended and Restated Credit and Security Agreement, dated as of December 21, 2018, with Lender (as the same may from time to time be amended, restated or otherwise modified, the “Credit Agreement”). Pledgor desires that Lender continue to grant to Borrowers the financial accommodations as described in the Credit Agreement.

Pledgor deems it to be in the direct pecuniary and business interests of Pledgor that Pledgor continue to obtain from Lender the Commitment, the Loans and Letters of Credit provided for in the Credit Agreement.

Pledgor understands that Lender entered into the Credit Agreement and is willing to continue to grant the financial accommodations provided for in the Credit Agreement only upon certain terms and conditions, one of which is that Pledgor grant to Lender a security interest in the Collateral, as hereinafter defined, and this Agreement is being executed and delivered in consideration of Lender having entered into the Credit Agreement and each financial accommodation granted to Borrowers by Lender, and for other valuable consideration, the receipt and sufficiency of which is hereby acknowledged.

2. Definitions. Except as specifically defined herein, (a) capitalized terms used herein that are defined in the Credit Agreement shall have their respective meanings ascribed to them in the Credit Agreement, and (b) unless otherwise defined in the Credit Agreement, terms that are defined in the U.C.C. are used herein as so defined. As used in this Agreement, “Collateral” means, collectively, all of Pledgor’s existing and future right, title and interest in, to and under the Owned Intellectual Property, including, but not limited to, those listed on Schedule 1 and Schedule 2 hereto, and Proceeds thereof; provided that such Collateral shall not include any Excluded Property.

3. Grant of Security Interest. In consideration of and as security for the full and complete payment of all of the Obligations, Pledgor hereby grants to Lender (and any affiliate of Lender that holds any Obligations) a security interest in all of the Collateral.

4. Requested Recordation. Pledgor expressly acknowledges that Lender shall record this Agreement with the United States Patent and Trademark Office or the United States Copyright Office, as appropriate. Pledgor authorizes and requests that the Register of Copyrights or the Commissioner of Patents and Trademarks, as the case may be, to file and record this Agreement in order to publicly reflect the interests of Lender in the Collateral.

5. Termination. Unless otherwise agreed in writing by Pledgor and Lender, the security interests granted herein will terminate (and all rights to the Collateral will revert to each of the Pledgors) in accordance with the Loan Agreement.

6. Inconsistencies. This Agreement has been entered into in conjunction with the provisions of, and the security interest granted to Lender under, the Loan Agreement. This Agreement is subject in all respects to the terms and provisions of the Loan Agreement, including, but not limited to, Pledgor's obligations, representations, warranties and covenants relating to the Collateral. Pledgor acknowledges and agrees that the obligations, representations, warranties and covenants contained in the Loan Agreement shall not be superseded hereby but shall remain in effect to the extent provided therein. In the event of any conflict or inconsistency between the terms of the Loan Agreement and the terms hereof, the terms of the Loan Agreement shall govern.

7. Governing Law; Submission to Jurisdiction. The provisions of this Agreement and the respective rights and duties of Pledgor and Lender hereunder shall be governed by and construed in accordance with New York law. Pledgor hereby irrevocably submits to the non-exclusive jurisdiction of any New York state or federal court sitting in New York County, New York, over any action or proceeding arising out of or relating to this Agreement, any Loan Document or any Related Writing, and Pledgor hereby irrevocably agrees that all claims in respect of such action or proceeding may be heard and determined in such New York state or federal court. Pledgor hereby irrevocably waives, to the fullest extent permitted by law, any objection it may now or hereafter have to the laying of venue in any such action or proceeding in any such court as well as any right it may now or hereafter have to remove such action or proceeding, once commenced, to another court on the grounds of FORUM NON CONVENIENS or otherwise. Pledgor agrees that a final, nonappealable judgment in any such action or proceeding in any state or federal court in the State of New York shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.
