TRADEMARK ASSIGNMENT

This Trademark Assignment Agreement (this "Agreement") is executed and delivered as of July 1, 2020 (the "Effective Date"), by and between The Procter & Gamble Company, an Ohio corporation (Assignor), and Pharm-a-Care Laboratories Pty Ltd, a company incorporated under the laws of Australia ("Assignee", and together with Assignor, the "Parties");

WHEREAS, pursuant to the Transaction Agreement by and between Assignor, Assignee and PharmaCare (Europe) Limited (together with Assignee, "PAC"), dated February 28, 2020 (the "Transaction Agreement"), Assignor has agreed to assign, transfer, deliver and convey to PAC, and PAC has agreed to receive from Assignor, all of the Assignor's right, title and interest in, to and under the Acquired Assets (as defined in the Transaction Agreement);

WHEREAS, Assignor is the owner of the entire right, title and interest in and to certain trademarks and service marks, which are identified and set forth on Schedule A hereto or that otherwise constitute an "Acquired Asset" under the Transaction Agreement (the "Marks"); and

WHEREAS, Assignor desires to assign and convey, and Assignee desires to acquire, all of Assignor's right, title and interest in and to the Marks, together with all goodwill and all other rights associated with the Marks;

NOW, THEREFORE, in consideration of the mutual promises contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, intending to be legally bound hereby, agree as follows:

1. Assignment. Assignor hereby sells, assigns, conveys, transfers, and delivers to Assignee, free and clear of all encumbrances, all right, title and interest of Assignor in and to the Marks, including without limitation (i) all renewals and extensions of the Marks; (ii) all goodwill of the business connected with the use of, and symbolized by, each Mark; (iii) all income, royalties, proceeds at any time due or payable or asserted under and with respect to any of the foregoing and (iv) all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof, for the use and enjoyment of Assignee's successors, assigns or other legal representatives. Assignor assigns Assignor's rights in the Marks as fully and entirely as the same would have been held and enjoyed by Assignor if this sale, conveyance, transfer and assignment had not been made.

2. Further Assurances. Assignor agrees, upon reasonable request and without further compensation but at Assignee's expense, that Assignor and its legal representatives and assigns will do all lawful and commercially reasonable acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing or

enforcing said registrations in the United States and throughout the world for such Marks, and for perfecting, recording, or maintaining the title of Assignee, its successors and assigns, to such Marks and any registrations issued for such Marks.

3. Recordation. Assignor authorizes and requests the United States Commissioner of Patents and Trademarks, to the extent applicable, and any other similar government authority to record Assignee as the assignee and owner of the Marks, and to issue any and all registrations thereon to Assignee, as assignee of the entire right, title and interest in, to and under the same, for the sole use and enjoyment of Assignee and its successors, assigns or other legal representatives

4. Binding on Successors; No Third Party Beneficiaries. This Agreement shall be binding upon and inure to the benefit of the Parties, their successors in interest and permitted assigns. The terms and provisions of this Agreement are intended solely for the benefit of the Parties, and are not intended to confer third-party beneficiary rights upon any other person or entity.

5. Counterparts. This Agreement may be executed in multiple counterparts (any one of which need not contain the signatures of more than one Party), each of which will be deemed to be an original but all of which taken together will constitute one and the same agreement. This Agreement, and any amendments hereto, to the extent signed and delivered by email or other electronic transmission, will be treated in all manner and respects as an original agreement and will be considered to have the same binding legal effects as if it were the original signed version thereof delivered in person. At the request of any Party, the other Party will re-execute original forms thereof and deliver them to the requesting Party.

6. Choice of Law; Submission to Jurisdiction. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware without regard to such state's conflicts of laws rules. Each of the Parties hereby submits to the exclusive jurisdiction of the state and federal courts sitting in the State of Delaware and irrevocably waives, to the fullest extent permitted by law, any objection to the laying of venue of any such proceeding brought in such courts and any claim that such courts are an inconvenient forum.

7. Waiver of Jury Trial. EACH OF THE PARTIES WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ANY RIGHT IT MAY HAVE TO TRIAL BY JURY IN RESPECT OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION BASED ON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, VERBAL OR WRITTEN STATEMENT OR ACTION OF ANY PARTY, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER IN CONTRACT, TORT, EQUITY OR OTHERWISE. EACH OF THE PARTIES HEREBY AGREES THAT ANY SUCH CLAIM,

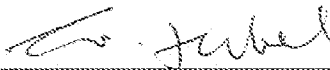

DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY AND THAT THE PARTIES MAY FILE AN ORIGINAL COUNTERPART OF A COPY OF THIS AGREEMENT WITH ANY COURT AS EVIDENCE OF THE CONSENT OF THE PARTIES TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

8. Transaction Agreement; Conflicts. This Agreement is executed and delivered pursuant to the Transaction Agreement and made subject to the representations and warranties of the Assignor contained therein. Assignor hereby specifically incorporates by reference all of the representations, warranties and indemnifications, subject to all of the conditions and limitations, applicable to the Marks in the Transaction Agreement. This Agreement shall not be deemed to defeat, alter, impair, enhance or enlarge any right, obligations, claim or remedy created by the Transaction Agreement, and in the event of any conflict between the Transaction Agreement and this Agreement, the Transaction Agreement shall govern.

*[Signature Page Follows]*

IN WITNESS WHEREOF, the Parties have caused their duly authorized representative to execute this Agreement effective as of the day and year first above written.
