NOW, THEREFORE, in consideration of the foregoing, the Purchase Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignors and Assignee, intending to be legally bound, hereby agree as follows:

Section 1. Definitions. Capitalized terms used but not defined herein shall have the meanings assigned thereto in the Purchase Agreement.

Section 2. Assignment. Solely to the extent not effectuated by, and without limiting, the assignment pursuant to the Assignment and Assumption Agreement, each Assignor hereby absolutely, irrevocably and unconditionally sells, assigns, conveys, transfers and delivers to the Assignee on behalf of itself and its successors and assigns to have and to hold forever, all of its entire worldwide right, title, and interest in and to (a) the Assigned Trademarks, and (b) (i) any and all rights of any kind whatsoever of such Assignor accruing under any of the foregoing provided by applicable Law; (ii) royalties, fees, damages, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and (iii) claims and causes of action, with respect to any of the foregoing, whether accruing before, on and/or after the date hereof, including rights to prosecute, sue, enforce, or recover or retain damages, costs, or attorneys' fees with respect to the past, present and future infringement, misappropriation, dilution, unauthorized use or disclosure, or other violation of any of the foregoing, in each case free and clear of all Encumbrances (other than the Permitted Encumbrances), without representation or warranty of any kind (except as provided in the Purchase Agreement), the same to be held and enjoyed by Assignee for its own use and enjoyment and the use and enjoyment of its successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by such Assignor if this assignment and sale had not been made, as assignee of its entire right, title and interest therein.

Section 3. Recordation. Each Assignor hereby authorizes the Commissioner of Trademarks in the Patent and Trademark Office and all similar or corresponding foreign Governmental Bodies to record and register this Assignment upon request by Assignee and to identify and register the Assignee as the legal and beneficial owner all of the Assigned Trademarks.

Except to the extent the mandatory provisions of the Bankruptcy Code and the CCAA apply, this Agreement, and all claims and causes of action arising out of, based upon, or related to this Agreement or the negotiation, execution or performance hereof, shall be governed by, and construed, interpreted and enforced in accordance with, the Laws of the State

of Delaware, without regard to choice or conflict of law principles that would result in the application of any Laws other than the Laws of the State of Delaware.
