TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT (this "Agreement"), dated as of May 13, 2019, is made by and between Deepak Chopra, LLC, a California limited liability company (the "Assignor") and Deepak Chopra (the "Assignee").

W I T N E S S E T H:

WHEREAS, the Assignor hereby agrees to sell, assign, transfer and deliver to the Assignee, and the Assignee hereby agrees to purchase and acquire from the Assignor, all of the Assignor's right, title and interest in, to and under all of the Assignor's trademarks listed in Schedule 1 hereto, together with all goodwill of any business associated therewith, and all applications, registrations and renewals in connection therewith (the "Trademarks").

NOW, THEREFORE, in consideration of the payment by the Assignee to the Assignor of the sum of Ten United States Dollars (\$10.00) and the premises and covenants set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound hereby, agree as follows:

Section 1. Assignment. The Assignor hereby sells, transfers, conveys, assigns and delivers to the Assignee, and the Assignee hereby purchases and accepts from the Assignor, all of the Assignor's right, title and interest in, to and under the Trademarks together with any goodwill of any business associated therewith, including without limitation, (a) all income, royalties, profits, and damages related thereto; (b) the right, if any, to register, prosecute, maintain and defend the Trademarks before any public or private agency or registrar; (c) the right to bring actions, defend against or otherwise recover damages or other compensation for past, present or future infringements, dilutions, misappropriations, or other violations of the Trademarks, including the right to sue and obtain equitable relief in respect of such infringements, dilutions, misappropriations and other violations; and (e) the right to fully and entirely stand in the place of the Assignor in all matters related thereto.

Section 2. Ownership. The Assignor hereby acknowledges and agrees that, from and after the date hereof, the Assignee shall be the exclusive owner of the Trademarks. The Assignor acknowledges that all rights accruing from the Assignor's use of any Trademark prior to its assignment to the Assignee pursuant to Section 1 hereof, and any goodwill resulting from such uses, shall inure to the benefit of the Assignee.

Section 3. Further Assurances. This Agreement has been executed and delivered by the Assignor for the purpose of recording the assignment herein with the United States Patent and Trademark Office and any other appropriate government entity or registrar. The Assignor agrees that at any time and from time to time, without further consideration, the Assignor will promptly execute and deliver all further instruments and documents, and take all further actions, requested by the Assignee to perfect, protect, secure or more fully evidence the Assignee's and its successors or assignees' respective

right, title and interest in, to and under the Trademarks, or to enable the Assignee and/or such successors or assignees (or any agent or designee of any of the foregoing) to exercise or enforce any of their respective rights hereunder, including reasonable cooperation and assistance in the prosecution or defense of any proceeding that may arise in connection with any of the rights assigned hereby and any other forms of assignment to record evidence of the transfer of the Trademarks in any jurisdiction anywhere throughout the world.

Section 4. Power of Attorney. The Assignor hereby constitutes and appoints the Assignee as its true and lawful attorney, with full power of substitution, in the Assignor's name, but on behalf of and for the benefit of the Assignee to: (a) carry out the terms of this Agreement and to take any and all appropriate actions and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Agreement, (b) demand and receive from time to time any and all of the Trademarks and to make endorsements and give receipts and releases for and in respect of the same and any part thereof, (c) institute, prosecute, compromise and settle any and all actions or proceedings that the Assignee may deem proper in order to collect, assert or enforce any claim, right or title of any kind in or to the Trademarks, and (d) defend or compromise any or all actions or proceedings in respect of any of the Trademarks. The Assignor hereby acknowledges that the appointment hereby made and the powers hereby granted are coupled with an interest and are not and shall not be revocable by the Assignor in any manner or for any reason.

Section 5. Governing Law. This Agreement shall be governed by and construed in accordance with the domestic laws of the State of New York without giving effect to any choice or conflict of law provision or rule (whether of the State of New York or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of New York.

Section 6. Binding Effect, Assignment. This Agreement shall be binding upon and inure to the benefit of each party hereto, its successors and assigns. The Assignee may freely assign this Agreement or any of its rights, interests or obligations hereunder.

Section 7. Counterparts. This Agreement may be signed in counterparts, none of which shall be deemed to be binding unless and until all parties have signed this Agreement. Facsimile or portable document format (PDF) signatures shall be treated as original signatures for all purposes hereunder.
