## ASSIGNMENT OF SECURITY INTEREST

This ASSIGNMENT OF SECURITY INTEREST (this “Agreement”), dated as of January 27, 2021 (the “Effective Date”), is entered into by and between TriplePoint Venture Growth BDC Corp., a Maryland corporation, in its capacity as Collateral Agent (as defined in the IPSA (as defined below)) for itself and the other Lenders (as defined in the IPSA (as defined below)) (“Assignor”), and Digiotech, LLC, a Delaware limited liability company (“Assignee”).

WHEREAS, 42Floors, LLC, a Delaware limited liability company (“Grantor”), and Assignor are parties to that certain Plain English Intellectual Property Security Agreement, dated as of February 27, 2019 (the “IPSA”), pursuant to which Grantor granted to Assignor a security interest in and to certain Intellectual Property Collateral (as defined in the IPSA);

WHEREAS, the IPSA was recorded with the United States Patent and Trademark Office on March 18, 2019 at Reel/Frame 6593/0704 with respect to the trademarks, trademark licenses and trademark applications identified on Schedule A attached hereto and made a part hereof;

WHEREAS, pursuant to that certain Assignment and Assumption, dated as of January 11, 2021, by and among Assignor, TriplePoint Capital LLC and Assignee, Assignor assigned to Assignee all of Assignor’s right, title and interest in and to the IPSA and the security interest in the Intellectual Property Collateral granted thereunder as more particularly set forth therein; and

WHEREAS, Assignor and Assignee desire to confirm the foregoing assignment in this Agreement for the purpose of recording it with the United States Patent and Trademark Office.

NOW THEREFORE, in consideration of the foregoing, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Assignment of Security Interest. Assignor hereby irrevocably transfers, conveys and assigns to Assignee all of Assignor’s right, title and interest in and to the Intellectual Property Collateral arising under the IPSA, including, without limitation, with respect to the trademarks, trademark licenses and trademark applications identified on Schedule A attached hereto. Nothing herein shall be deemed to terminate, interrupt or impair the continuity of the security interest in the Intellectual Property Collateral originally granted to Assignor under the IPSA, which security interest is now succeeded by and transferred to Assignee.

2. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

[Signature Page Follows]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the Effective Date.
