## AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT

This AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT, dated as of January 29, 2021 (as amended, restated or otherwise modified from time to time, this “Trademark Security Agreement”), by and between Digital Check Corp., a Delaware corporation (“Grantor”), and BMO Harris Bank N.A., a national banking association (“Secured Party”).

### WITNESSETH:

WHEREAS, the Grantor and Secured Party entered into that certain Amended and Restated Security Agreement dated as of September 19, 2016 (as amended, restated, supplemented or otherwise modified from time to time, the “Existing Security Agreement”).

WHEREAS, in connection with the execution of the Existing Security Agreement, the Grantor and the Secured Party entered into that certain Trademark Security Agreement dated as of September 19, 2016 (as amended, restated, supplemented or otherwise modified from time to time, the “Existing Trademark Security Agreement”).

WHEREAS, the Grantor and Secured Party have entered into that certain Second Amended and Restated Security Agreement dated as of January 29, 2021 (as amended, restated, supplemented or otherwise modified from time to time, the “Security Agreement”), by and among the Grantor, the other grantors party thereto, and Secured Party.

WHEREAS, as a condition to the Secured Party’s agreement to make Loans (as defined in the Credit Agreement) and other financial accommodations available to the Grantor, Secured Party is requiring the Grantor to amend and restate the Existing Trademark Security Agreement in its entirety on the terms and conditions herein set forth.

NOW, THEREFORE, in consideration of the terms and conditions set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor hereby agrees as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. The Grantor hereby unconditionally grants, collaterally assigns, and pledges to Secured Party a continuing security interest in all of the Grantor’s right, title, and interest in and to the following, whether now owned, existing or hereafter acquired or arising (collectively, the “Trademark Collateral”) to secure the Secured Obligations (as defined in the Security Agreement):

(a) (i) all of the Grantor’s trademarks, including without limitation those referred to on Schedule I hereto, (ii) all extensions or renewals of any of the foregoing, (iii) all of the goodwill of the business connected with the use of and symbolized by the foregoing, and (iv) the right to sue for past, present and future infringement, dilution, or other violation of any of the foregoing or for any injury to goodwill; and

(b) all proceeds of the foregoing, including, without limitation, licenses, royalties, income, payments, claims, damages, and proceeds of suit.

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to Secured Party pursuant to the Security Agreement and the Grantor hereby acknowledges and affirms that the rights and remedies of Secured Party with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Secured Obligations and would be owed by the Grantor to Secured Party, whether or not they are unenforceable or not allowable due to the existence of an insolvency proceeding involving the Grantor.

SECTION 4. Authorization to Supplement. If the Grantor shall obtain rights to any new trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. The Grantor shall give notice in writing to Secured Party in accordance with the terms of the Security Agreement with respect to any such new trademarks or renewal or extension of any trademark registration. Without limiting the Grantor's obligations under this Section, the Grantor hereby authorizes Secured Party unilaterally to modify this Trademark Security Agreement by amending Schedule I to include any such new trademark rights of the Grantor. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Secured Party's continuing security interest in all Trademark Collateral, whether or not listed on Schedule I.

SECTION 5. Applicable Law. THIS TRADEMARK SECURITY AGREEMENT SHALL BE SUBJECT TO THE PROVISIONS REGARDING CHOICE OF LAW AND VENUE, JURY TRIAL WAIVER, AND JUDICIAL REFERENCE SET FORTH IN SECTION 2 OF THE SECURITY AGREEMENT, AND SUCH PROVISIONS ARE INCORPORATED HEREIN BY THIS REFERENCE, MUTATIS MUTANDIS.

SECTION 6. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and delivered via facsimile or other electronic format, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

[signature page to follow]

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
